## Fireworks a bright spot in busy week for parks

NIAGARA FALLS. One of the more dazzling ground displays is viewed Friday night by some of the 16,000 people at Wilson Park. (Press-Record Photo by Patrick Foley)

The 'oohs' and 'aahs' of the estimated 16,000-plus crowd broke the silence at Wilson Park Friday night as the 40-minute fireworks display, originally scheduled for Wednesday, July Fourth, but postponed because of rain, lit the sky.

The official crowd estimate was in addition to thousands more in nearby yards and parking lots.

**COLORFUL GROUND** displays including the American Flag, Snappy lighting a firecracker, a Smurf fishing, an old-time car and the always popular Niagara Falls, were seen by the lawn-chair crowd around the perimeter of Diamond Seven.

The pyrotechnics display was produced by the Star Fireworks Co. of Danville, Ill.

But the fireworks display wasn't the only thing that kept the Wilson Park maintenance staff busy Friday. The much-discussed swimming pool was again shut down for most of the day Friday.

**A RUBBER COUPLING** between the recirculating pump of the pool and its motor had to be replaced and, at the same time, the chlorinator pump, which feeds chlorine to the pools, also broke down.

Both parts were replaced Friday, but not before personnel of the Illinois State Department of Public Health arrived for an unannounced inspection. The inspection has been rescheduled.

An informal poll on the future of the pool, published Thursday on the front page of the Press-Record, and taken during the five-day Fourth of July Festival in Wilson Park last week, is showing a strong public preference for constructing a new pool in the park, according to Parks Superintendent David Nolan. Early results of the poll indicated about 77 percent in favor of a new pool.

**TWO PUBLIC** hearings, the first tonight at 7 o'clock in the Harold Brown Recreation Center, Amos and Franklin avenues at Pontoon Road, are being conducted to allow the public to voice their input about the fate of the present swimming pool. The last hearing is set for Tuesday night, also at 7, at the Lincoln Place Community Center, 822 Niedringhaus Ave.

A third public hearing, this one centering on the park district's budget, is slated for 6:30 p.m. Wednesday in the Wilson Park office.

## State funding to schools declining

By BILL WINTER  
of the Press-Record

Illinois aid to the Granite City school district will decrease \$168,648 in 1984-85, mainly due to a smaller enrollment, state authorities said Friday.

The reduction for District Nine is a 1.76 percent decrease, according to new projections.

**LEGISLATION** enacted by the Illinois General Assembly early last week includes a formula that pegs basic aid at \$1,840 per student, officials said.

The outlook for a \$168,648 decrease is similar to what the Granite City

district has been estimating. Finance Director Norman Owca said.

In addition, year-to-year comparison will show another \$793,086 aid decrease this year, making the total \$961,746 less than 1983-84. Owca added. This is because the state offset a monthly payment—delayed from a previous year—by forwarding an extra-large check in June 1983. There is to be no double payment this fiscal year.

**LAWMAKERS** approved an overall state budget of \$17 billion, with a balance between authorized spending and probable receipts.

The budget provides a \$75 million increase for schools statewide. Expenditures for schools will total \$2.68 billion.

Governor James R. Thompson called the budget fair and equitable. He said schools need even more funds than budgeted, but noted that he would like to link future increases to educational revision and reform.

**ALTHOUGH HIGHER** than last year, the state aid appropriation falls \$210 million short of what education officials said was justified.

The Senate endorsed by 32-24 state-funded transportation of

parochial school pupils but the House did not debate or pass it.

All major public education groups fought the bill, saying the state could not afford it after allowing the one-year income tax surtax to expire June 30.

**PUBLIC SCHOOL** children totaling \$70,000 and non-public students numbering 47,000 already are being bused. The latter reside along public school bus routes on which bus space is available.

By a seven-vote margin, the House rejected a Senate-backed plan for a 25-cent education tax on \$1 state lottery tickets.

## Steel again profitable

Led by Granite City Steel and National Steel, domestic steelmakers collectively returned to profitability in the just-ended second quarter of 1984 after more than two years of quarterly losses.

With figures from the major firms combined, there were quarterly operating losses per ton shipped of \$43, \$78, \$116 and \$136 in 1982, followed by similar losses in 1983 of \$76, \$42, \$38 and \$16.

**FROM A LOSS** of \$8 per ton loss in the first quarter of 1984, there was improvement to a \$13 operating profit per ton shipped in April through June 1984, according to the American Iron and Steel Institute. Profits of \$10 and \$25 per ton are visualized for this year's third and fourth quarters.

Although the best since 1981, profitability is seen as slumping in the second half of this year, well below

what would be considered a normal, healthy level.

Steel purchase orders and prices remain lower than desired. Orders went into a nose-dive at some companies in mid-May.

**NET INCOME** of \$200 million in the second quarter of this year compares favorably to a \$449 million combined second quarter loss in 1983.

National Intergroup, Inc., the holding company for National Steel, may earn about \$1 a share for the second quarter of 1984, an earnings pattern that may be duplicated by U.S. Steel and Inland Steel. Bethlehem Steel, after nine consecutive quarterly deficits, sees earnings of 40 cents per share.

A flood of imports and the new weakening of orders are blamed for the likelihood of continued steep dips in steel prices.

## Retired Capt. F.J. McManus dies

Retired Granite City Police Captain Francis J. "Mac" McManus, 67, of 2555 E. 27th St., was pronounced dead upon arrival at St. Elizabeth Medical Center at 4 p.m. Friday, July 6, 1984. He had been ill the past few months.

The veteran police officer retired in June 1982 after serving 32½ years with the Granite City Police Department. At that time, he was honored by his colleagues, city officials, friends and his family at a retirement banquet.

Personal and professional tributes were accorded Capt. McManus at 6 p.m. Sunday when members of his own department and representatives of the Venice, Madison and

Pontoon Beach police departments, Illinois State Police District 11 and Madison County Sheriff's Office passed in review at Davis Funeral Home Chapel.

A native of Jacksonville, Ill., Capt. McManus came to Granite City 25 years ago. He was hired into the police department Feb. 1, 1959, when the force had 17 members. The department has since grown to 32 officers.

He was promoted to sergeant May 1, 1963, and to lieutenant Aug. 1, 1967. Capt. McManus became chief of detectives July 16, 1971, and was promoted to the rank of captain Feb. 5, 1974, taking over the police service division.

He received numerous commendations during his career and was cited for many years for his perfect attendance and punctuality.

He served 25 years as president of the Granite City Employees' Credit Union and was a member of the credit union board of directors. Prior to joining the police department. (Continued on Page 3)

CAPT. F.J. McMANUS

## Swimmers 'show and tell' program accomplishments

By SUSAN SIGNAIGO-WEICH  
of the Press-Record

The skill of being able to float in the water may not seem like much to most people, but for at least 26 students enrolled in the Red Cross Handicapped Swim Program, the

accomplishment is something to shout about.

The students, who range in age from 3 to 70 years, showed their skills at their award ceremonies Friday. Their disabilities range from deafness to muscular dystrophy to

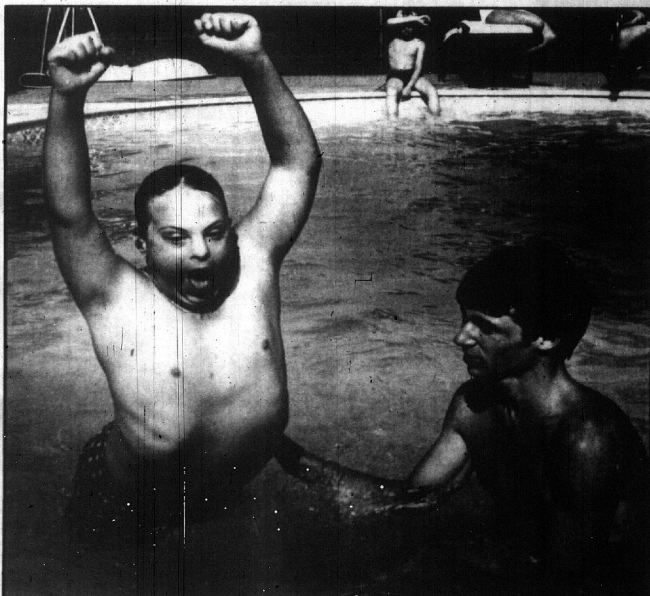

Downs Syndrome, but all say they are bettered by their experience.

**LESTER GRANNEMAN**, 64, of Granite City, termed his first year with the program as "great." Granneman, who was an avid swimmer before he became disabled, said he was just about ready to give up before he enrolled in the class. "I used to swim everywhere," he said. "But then I got emphysema and I went blind and I lost a leg. It gets very depressing being in a wheelchair every day."

"But then Joanne (Higgins, coordinator of the program) suggested that I give the program a try. And now I feel great. I feel like I've got something out of my life. Anything I can do that gets me out of the wheelchair is fulfilling."

Other persons involved in the swim program expressed similar feelings. Mary Lapinski, wife of Anthony Lapinski, said she has seen a lot of improvements among all of the participants over the past years.

**HER HUSBAND**, a stroke victim, has gained swimming endurance and retained limited mobility by participating in the program since its inception. "And I really enjoy seeing how the program has helped the children too," she said. "Some of the accomplishments they've made

**FUN WITH A PURPOSE.** Tim Redstone, 13, of Granite City, jumps up with enthusiasm after he demonstrates the skills he has learned during the Red Cross Handicapped Swim Program. Redstone and 25 other students participated in the 10th year of the program, which culminated in a show-and-tell award ceremony Friday. (Press-Record Photo by Susan Signaigo-Weich)

# Governor praises lawmakers on tourism, nursing homes, hazards, budget balance

Governor James R. Thompson is calling the 1984 legislative session the most successful during his eight-year tenure because it placed Illinois in "an excellent position to rebound from the recession and move forward in many areas."

"Last year, the actions the legislature took saved us from moving backward in our finances and critical state programs. This session, we have put ourselves in a position to tell this nation that Illinois is back on the move," the governor said.

The General Assembly adjourned Sunday, July 1, one day after the scheduled end of the session.

"Lawmakers, and in particular the legislative leaders, should be commended, for their efforts. Passage of the budget, the Diversion Agreement, hospital cost containment, nursing home regulation and enforcement, and an ambitious program to clean up hazardous waste sites—they all tell our own citizens and other states that Illinois is 'getting down to business.'"

"Let me particularly commend lawmakers for their approval of a statewide tourism and economic development package," Thompson said.

"It will fund the expansion of McCormick Place, finance a feasibility study of the 1992 World's Fair, allocate \$3 million for local convention and tourism activities, and provide a \$10 million program for tourism advertising, as well as a \$10 million major renovation program for our state parks and conservation areas."

"This will allow us to put our best foot forward to the world as well as boosting our own economy."

The governor also noted that the Assembly approved nearly all of his State of the State and budget initiatives introduced this spring.

In terms of the budget, he commended lawmakers "for working with me to keep the budget in line. Because of this cooperative spirit, we have a budget that lets us implement and bolster important programs while at the same time living within our means."

Among the bills sent to the governor this session:

Nursing Home Reform, Senate Bill 1935—Legislation was passed to strengthen the nursing home enforcement powers of the Department of Public Health, increase funding to better monitor the care of residents, and increase rates for

nursing home care.

Workers' Compensation Law Changes, House Bill 2373—Legislation that will reform some sections of the law, causing workers' compensation insurance costs to drop by more than \$40 million, or four percent. The governor signed the measure Saturday night and it is now in effect.

Continental Bank, SB 1236—Allows banks outside Illinois to purchase the troubled Continental Illinois National Bank and Trust Co. Nuclea Compact—The legislature approved legislation that will allow Illinois to enter into a low-level nuclear disposal site compact with Kentucky.

Hazardous Waste Cleanup, HB 2627 and SB 1538—Appropriations totaling \$20 million that will allow the state to attack abandoned hazardous waste sites across Illinois. The program calls for an inventory of potentially dangerous sites, the actual cleanup program and monitoring of groundwater in Illinois.

Amusement Rides Inspections, Senate Bill 1425—Creates an inspection and permit system that will regulate amusement park and carnival rides.

Farmland Assessment, SB 1462—Legislation signed by the governor that will reduce the impact of rapidly declining farmland tax assessments on school districts, limiting to 10 percent the yearly increase or decrease in the aggregate equalized assessed value of farmland in a county.

Welfare Grant Increases, SB 1574—Appropriation of \$35 million for grant increases for energy assistance averaging about five percent, effective Jan. 1, 1985. HB 598 equalizes grants so that distribution of dollars is more equitable among family sizes.

Hospital Costs, SB 495—Creates a competitive market for hospital care as a way to hold down consumer costs. The measure also creates the Health Care Cost Containment Council to collect data concern-

ing costs of hospital care and hospital finances.

Inspection and Maintenance, HB 1704—Creation of an auto emissions testing program in all or parts of six Illinois counties under a federal threat of loss of up to \$100 million in federal highway funding.

Sales Tax Revisions, HB 2360—Allows for more accurate allocation of local sales tax dollars collected by the state and returned to local governments.

Organ Transplants, HB 2321—Sets up a program and fund through which the state will aid families without the financial means to pay for organ transplants, with a cap of \$200,000 from the fund per operation. A commission would oversee the reimbursement process.

DuPage Toll Road, SB 1733—Creates a new tollway through the economically expanding DuPage County area.

Thompson also commended the General Assembly for passage of nearly all of the new administration programs requiring legislative approval that were outlined in his State of the State address and later in written messages to lawmakers. He cited:

Government Efficiency—The appointment of a new Cost Control Task Force and a Commission on School Efficiency as part of the program to increase government efficiency.

Drunk Driving—The governor sought and received an appropriation to hire 25 new state troopers to boost highway patrols for drunk driving and improve field sobriety testing.

Utility Regulation—He signed a new Telecommunications Act, which opens Illinois to competitive telephone rates on long-distance calls within Illinois borders. The General Assembly also approved other portions of the regulatory program that would allow the Illinois Commerce Commission to order utilities to streamline some ICC programs, streamline some ICC

regulatory powers and crack down on "computer pirates."

Minority Business Expansion—The legislature approved a bill that would establish in law and expand on the governor's executive order to further encourage minority- and female-owned businesses to seek state contracts.

Local Government Infrastructure Bond Bank—The Assembly approved portions of the administration's legislation that would help communities finance maintenance of vital public works through pooling of bond issues.

Chemical Safety Research Initiative—The Assembly approved funding for a program that would upgrade state research efforts to better control toxic substances and waste.

Coal Research—Additional funding for increase coal research was approved by the Assembly.

Expanding Illinois Business—The creation of technology transfer grants and business innovation centers, for more follow-up services to help abused and neglected children.

Public Safety—The legislature approved 14 state troopers to form a special unit within the Department of Law Enforcement to tackle serious crimes. Victims Rights legislation that gives victims of crimes more rights in the criminal

justice system also won approval.

Stop Tax Evasion Program—The legislature approved, with minor changes, the governor's program to further increase the state's ability to "collect taxes from those who do not pay their fair share."

Gov. Thompson said his only disappointment in involving his initiatives was the failure of some of the funding proposals for educational reforms under a Contract for Educational Excellence.

He also cited legislative approval of several budget initiatives introduced by his Administration:

Chicago Technology Park—Appropriation of \$8.8 million for construction of a high-technology incubator facility.

Elderly Abuse Prevention—Approval of \$300,000 to develop a pilot program to aid abused senior citizens.

Child Welfare Workers—Funding for the Department of Children and Family Services to hire 260 more workers in the Child Welfare Division, for more follow-up services to help abused and neglected children.

In-Home Care—A 20 percent increase in in-home care programs to help elderly and disabled residents stay in their homes and communities when nursing home care cannot be avoided.

## Madison High graduates plan 20th year reunion

Madison High School's class of 1964 is completing plans for its 20th year reunion celebration, it was announced by the class officers.

The event will take place Saturday, Aug. 11, at Char's Restaurant on Highway 157 near Collinsville. A social hour is arranged at 6:30 p.m., followed by a buffet dinner at 7:30 p.m. The organizers said.

The deadline for reservations is July 31 and those wishing to attend are asked to contact John Onesky or call Mary Ann Svezia at 451-9177.

The 1964 graduating class had 103 members and almost all classmates

have been contacted with the exception of the 15 persons, Onesky said.

Addresses or phone numbers still are being sought for: Agnes Bargiel, Francine Barnes, Maggie Byrd, Patricia Byrd, Margaret Champion, Jami Johnson, Robert Lomax, Don Osborn, Frances Owens, Hazel Reed, Georgia Sanders, Jackie Surlock, Richard Smith, Kate Yates and James Watson.

Anyone with information about the whereabouts of those named are asked to contact Onesky or Mrs. Svezia.

## Governor signs bill to stabilize farm assessments

Legislation that will reduce the impact of rapidly declining farmland tax assessments on school districts while continuing tax relief to Illinois farmland owners was signed during last week by Governor James R. Thompson.

The measure limits to 10 percent the yearly increase or decrease in the aggregate equalized assessed value of farmland in a county, a change that will help prevent sudden drops in local property tax revenue that is used for local government units and schools.

"This is a measure that will give local school boards the financial stability they need to chart their financial future. Without it, rural school districts could face drastic, sudden reductions in revenue from local sources," the governor said.

The education of our children should not depend on the unexpected fluctuations in land, financial and agricultural markets. This bill builds in an element of intelligent fiscal planning for school districts whose fate is tied to the value of farmland while at the same time providing relief to farmland owners when the value of their property declines," he said.

Senate Bill 1462, which the governor signed during ceremonies in his Capitol Office, provides safeguards against excessive revenue losses for schools and other local government units under the Farmland Assessment Act of 1981. That act, which affected assessments beginning in calendar year 1982, tied property

taxes to farmland productivity, interest rates and production costs.

However, several factors, including high interest rates and low farm prices, combined to raise the potential of large decreases in the value of farmland and drops in property tax revenue.

"That combination threatened to reduce by as much as 60 percent the assessed value in some Illinois counties. That kind of change would reduce by nearly a third the total equalized assessed value of all land in those counties, seriously harming the ability of local government to supply the services communities need and deserve," the governor said.

Under SB 1462, increases or decreases in the assessed value of farmland assessments, for example, would then be phased in at 10 percent a year for three years. Farmland is assessed every year and its value changes according to market factors outlined in the act.

Thompson said the bill has the support of several organizations, including the Illinois Association of School Administrators, the Illinois Association of School Boards, the Farmers Union of Illinois, the Illinois Agricultural Association, the Illinois Education Association and the Taxpayers' Federation of Illinois.

The legislation takes effect immediately.

CHARGE GC WOMAN WITH DUI, NO VALID LICENSE

Margaret Foschiatti, 45, of 2207 Edison Ave., was charged with driving under the influence of alcohol and not having a valid driver's license when arrested during the weekend.

Reports said an officer activated his squad car's red lights and pursued a vehicle several blocks, pulling alongside the car at Niedringhaus Avenue and 22nd Street and telling the driver to pull to the curb.

The woman motorist allegedly ignored the request and continued driving, almost striking another squad car in the 2200 block of Washington Avenue.

At Washington Avenue and 23rd Street, an officer reached inside the car and removed the keys, but the woman allegedly refused to get out and was physically removed, reports said.

Mrs. Foschiatti was released after posting a \$302 cash bond.

(Continued from Page 1)

— why they just come to life when they learn something new. You can tell by the expressions on their faces that they're thinking, 'I finally can do something on my own.'"

But even some of the most accomplished students don't always start out so willing. Betty Cook, mother of Mike Cook, who suffers from a physical disability, says her son disagrees with her every year when it gets to be time for the swim program. "It (swimming) is probably his least favorite thing to do, but I know it's good for him," she said. Swimming is really the only exercise he gets.

"I really think the volunteers with this program are to be commended, because a lot of people wouldn't put up with the special problems these kids have."

But Mary Jesse, one of the volunteers thinks that she gets as much or more out of her work than the students. "It's rewarding to be a part of this program because the students really work hard and they gain so much confidence from the class," she said.

**THE HANDICAPPED** swim program is the only one of its kind in Madison County. The group uses Roger Bowler's private pool for the eight weeks of lessons.

Participants in the program who received progress awards include: Kenny Britts, 14, of Granite City; Bill Burney, 12, of Hartford; John Burney, 10, of Hartford; Cook 15, of Granite City; Clifford Foreman, 17, of Granite City; Pam Gerlach, 3, of

Granite City; Beth Gregas, 6, of Granite City; Joe Green, 19, of Granite City; Dane Gunderson, 14, of Granite City; and Adam Habs, 7, of Granite City.

Darin Niemeyer, 22, of Wood River; Michelle Odum, 5, of Granite City; Tim Redstone, 13, of Granite City; Joe Schmiedake, 13, of Granite City; Sara Schmiedeman, 8, of Granite City; Shris Seitz, 9, of Granite City; Cathy Smoot, 14, of Granite City; Brian Zalanowski, 10, of Granite City.

**OTHER AWARDS** include: Graneman, who received non-ambulatory skill card three and an endurance award; Deb Jacob, 15, of Granite City, who received a pre-beginner level two card; Hollie Jacobs, 8, of Edwardsville, who received non-ambulatory level one and to cards; Lapinski, 70, of Granite City, who received an endurance award; Jill Seardale, 10, of Granite City, who received a pre-beginner level one card, and Jimmy Taylor, 11, of Granite City, who received a non-ambulatory level two card.

**VOLUNTEERS** with the program include: Jim Cormier, Jeff Cox, Deanna Dolosic, Teresa Dolosic, Alice Down, Jim Down, Linda Dupont, Marian Hartung, Amy Hoffstad and Mary Jesse.

Dawn Justice, Darrell Justice, Sharon Loftus, Mark McAmish, Monica McAmish, Pat McAmish, Judy McNeilly, Dorothy Patton and Joanne Higgins.

**McManus**

(Continued from Page 1)

ment, Capt. McManus served with the U. S. Army Medical Corps from 1942 until 1946.

He held membership in the Illinois Police Association, Madison County Police Association, Granite City Elks Lodge 1063 and Wood River Moose Lodge.

Capt. McManus was a member of Sacred Heart Catholic Church.

Talking with a reporter at the time he retired, the veteran officer commented, "I realize there are many who can and do retire without a backward glance. But, I am doing so with mixed emotion and a touch of regret."

The routine that has shaped my

life for so many years will be missed. Good friends and acquaintances gathered through a career that has spanned more than a quarter-century cannot be lightly set aside. They, too, will be missed," he said. Many of those to whom he referred were at the funeral home Sunday.

Funeral services were conducted this morning. Additional information may be found in today's obituary column.

**Madison man charged in fatal car accident**

Robert G. Theis, 25, of 2041 Beckwith Ave., Madison, surrendered to St. Louis police Friday on charges of felony manslaughter, feloniously leaving the scene of an accident and driving without a license.

Theis is accused of driving a car that struck another automobile last Wednesday, fatally injuring an 80-year-old Affton woman Thillie Stewart, a passenger in the second car, died at City Hospital, St. Louis, shortly after the accident. Two other persons in the car also suffered minor injuries.

Police said the car in which Mrs. Stewart was riding, was making a left turn onto Park Avenue from Seventh Street. Theis allegedly violated the signal light at the intersection and struck the first car broadside. He then ran from the scene.

Theis' bond was set at \$31,000.

**CRASH INJURES 2 DRIVERS**

Julia Ponder, 21, of 2307 E. 23rd St. and Lynda J. Canady, 24, of 2504 Hemlock Ave. were injured Thursday when their autos collided in the 3100 block of E. 23rd Street. The latter driver, who was treated at St. Elizabeth Medical Center, was charged with improper lane usage and driving while under the influence of alcohol.

**Births**

Births recorded at St. Elizabeth Medical Center include:

**GIRLS**

Mr. and Mrs. Robert Fuller, 2265 Grand Ave., July 5, Shannon Nicole, 5 pounds, 12 ounces.

**BOYS**

Mr. and Mrs. James George Jr., Troy, Ill., July 5, James Dudley III, 7 pounds, 10 ounces.

Mr. and Mrs. Albert Stevens, III, 2302 Adams St., July 5, Adam Todd, 8 pounds, 5 ounces.

Births recorded at Oliver C. Anderson Hospital, Maryville include:

GIRL  
Mr. and Mrs. Robert (Karen) Bosworth, Madison, July 5, girl.

**Streets, sewers holding up construction of log homes**

Construction on the Timberlake Subdivision located on Highway 111 north of the 4700 block of the highway in Pontoon Beach, has slowed to a screeching halt until the developers complete work on the streets within the subdivision.

Ben McMillon, village inspector, said the Timberlake company has paid \$1,900 for improvement fees and, as soon as the streets and the storm and waste sewers are in, work will proceed on the log homes.

The construction company sub-

mitted a preliminary plat of the subdivision of log homes — designed for single-family dwellings in Pontoon Beach — at December 1983 meeting and, as of this date, has not completed its first model home.

One basement is poured and, according to McMillon, the developer wants to have eight different models

of the log home ready for public inspection at one time.

All electrical lines and poles to the property are ready, so that when the streets and sewers are completed, in compliance with the building codes in Pontoon Beach, construction can resume on the houses while weather permits.

**Paddlers club conducts swim lesson sign-ups**

Paddlers Swim Club, 2121 Johnson Road, will conduct swim lesson sign-ups at the club from 9 to 11 a.m. Saturday, July 14. Lessons will start at 9:45 a.m. Monday, July 16. The fee for the 10 half-hour lessons is \$20 for Paddlers members and \$25 for non-members. There will be six students allowed per instructor. For more information, interested persons may call 876-1802.

**HOUSE FIRE CAUSES \$38,000 IN DAMAGE**

A fire early last week at 2683 Highway 67, in Venice Township, resulted in \$38,000 damage to a home. The home is owned by Dorothy Gibson.

Madison Fire Chief Mike Macek said that the fire department worked four hours to extinguish the flames and were recalled later because part of the roof had rekindled. He said the house was fully involved when firefighters arrived on the scene. The cause of the fire is undetermined.

\$300.00 REWARD for return of Bob's 25 h.p. 1984 Mercury outboard. No arrest. No conviction. 1215 Madison Avenue. Bob's Barber Shop. 2879 LOST: Prescription glasses, Friday at fireworks. Call 877-4715. Reward. 2879

**Flees with purse of Venice resident**

A strongarm robbery in which a woman's purse was stolen, despite the thief being pursued along an alley, occurred at 10:40 p.m. Friday at Broadway and Klein Street, Venice.

Lorena Varner of the 500 block of Fourth Street, Venice, told police she was entering LC and Lee's Tavern on Broadway when a man said, "Excuse me," and grabbed her purse.

The woman tried to hold on to the shoulder bag, but the robber pulled it away from her, she told police. The victim then chased the thief down an alley between Broadway and Lincoln Avenue, but he escaped at the end of the alleyway, she said.

Described as a black male in his early 20's, the thief wore blue cutoff shorts and a light colored tee shirt. In the purse were six charge cards, keys, \$20, a driver's license, a Granite City Army Installation identification card, prescription eye glasses, blank checks, sun glasses and a small coin purse containing \$5 belonging to a family member.

GARY SCHNEIDER, Editor

## Change continuing in District 9

Reacting to escalating costs and a recession-plagued economy, Granite City School District Nine reduced its staff and closed six schools a year ago. Upset parents and employees helped elect new board members. Now, the board has revised the administrative staff and dismissed the superintendent. Change has been the pattern, and it is continuing.

Several reactions are possible and each would have some validity:

As justification for their action, four board members questioned Supt. B.J. Davis' loyalty to and communication with them, assailed his performance in developing and adapting to new policies, and cited the district's financial woes. Easily said and easily "proven." If the accusers happen to have the four votes that make them the final judge and jury, Davis has not responded, other than to say his response will be limited in order to avoid harm to the district.

We believe all parties would agree that, although no schools have been named for him, Davis leaves a large, permanent and positive imprint. Aided by his leadership, the district grew, our community prospered and our children were well educated. He deserves thanks and best wishes.

Interim Supt. Frank Kraus has never joined in a coup to take power. He supported Davis and they made a good team.

High School Principal Gilbert Walmsley is viewed by some as likely to be the next superintendent. If he is to be promoted, we hope he is given portfolios for central office experience in the coming months. Despite the new board's talk of putting more reliance on principals, there is a big difference between building-wide and district-wide duties.

We have no inside information on what may occur. With no disrespect to whoever is chosen, it could be asked whether even a Donald Gill — who plans to retire as Illinois state education superintendent July 31, 1985 — could handle the job here.

It won't be easy. Since the board has shifted its direction in recent months, it has been difficult for administrators to clearly determine what actually is the will of the board majority at times.

It appears the board, or individual members, have tried to take over some day-to-day tasks. Administrators can be fired, but if the board ever is trying to operate the district, it won't fire its four members next June.

The majority obviously thinks it is right, and feels others should fall in line, the quicker the better. It had fired the previous negotiator, with no evidence so far that it knows how to do better.

From a board standpoint, it is important that its policy changes be implemented. The majority has a right to rule. As election winners, members are the voice of the taxpayers public — of students, parents, the school staff and citizens. A breakdown of communication between the board and superintendent did occur, which is a serious matter.

Ironically, the "breakdown" assertion is being made by a board majority that pointedly excluded Davis from key deliberations, at once ignored the procedure of obtaining the superintendent's recommendations, that became known for enacting sweeping changes with little or no room or time for full-board analysis or administrative evaluation. A big part of the staff was turned inside-out and upside-down one night without a word of dissent.

Almost from the start, there was public talk of dismissing one-fourth of the administrative staff, as if some study or evidence existed that this was the medicine and dosage the ailing district needed. Almost from the start, the administration and the board minority were treated as if some study or proof existed of their incompetence and multiple shortcomings.

It is one thing to say that the district faced problems, and it does, but it is quite another to know and say precisely who was at fault. When objectivity was needed the most, a subjective approach was taken, we believe.

Administrators were run ragged, almost as if a turn-of-the-century school marm was rapping their knuckles with her ruler, for the sin of having been around when debts and interest costs grew; for having

ing believed optimistic projections more than a decade ago that more schools would be needed.

With fewer and fewer administrators to do the work over the past several years, with new demands placed on their shoulders (the added work necessary to cope with severe cost-squeeze problems that were not entirely of their own making) and without the use of a modern computer that could eliminate or speed tasks, the managers of District Nine have been under heavy pressure.

To surgically remove 35 percent of the administrative brainpower and manpower would increase the workload on the remainder and diminish their ability to quickly and accurately respond to the board's desires. That inability to react seems to be the crux of the allegations cited as reasons for Davis' dismissal.

The late Wessel Brown, a longtime superintendent in the Quad-City area, when pressed by a member would gently say, "Get me some instructions." In other words, a member's expertise and authority and helpfulness are as one-of-seven, not as an individual. Until four say it, it has not been decided, he felt.

The majority view on the Granite City board has shifted from time to time. The job of employee relations administrator, for example, was abolished last December, restored in March and abolished June 29.

Also, when there was majority sentiment, it may not always have been conveyed with clarity. No board instruction should be taken lightly, but after a meeting lasting four or five or six hours, a future chore may no longer be perfectly clear. Perceptions of the 10 or 15 people present may differ in 10 or 15 ways as to which information is being sought or what action is being ordered.

No alibi is needed or intended. There were flaws and imperfections. Some administrative work did not get done. There were good reasons for a change.

It is a fact that one of the most massive research efforts in the school district's history, in 1982-83, still provides a wealth of useful information and guidance, but was ignored by much of the board for much of 1983-84.

Another fact is that, although monetary leadership has now been mentioned as one of the superintendent's inadequacies, he had been pushing actively for refinancing, and was still fine-tuning it on his final day. Several meetings went by this spring with experts from afar on hand at Davis' invitation, but unable to gain any of the board's time or attention.

Now that the new financial approach is being taken, a citizens committee is to be formed to help advise the board and perhaps "sell" its program. Regardless of its makeup, for maximum effectiveness the committee needs to consist of representatives chosen by the participating groups themselves, rather than hand-picked from their rosters by a school board member. The board must strive to represent all segments of the local community.

Instead of finding fault with the board minority and departed administrators, the board majority may need to pay adequate attention to what other board members, administrators and financial authorities are saying.

Unless there is true impartiality, pursuit of even the worst of goals can be self-defeating. If there is a crisis of confidence, it is not just in the "evils" the board majority has been so zealously eradicating. There also is a lack of confidence by some Granite Cityans in the board majority, as evidenced by local financial institutions, which were no longer willing to trust the board majority's spending restraint. An effort to obtain bids for loans failed.

A temporary reprieve has arrived in the form of tax anticipation notes and teacher payroll orders (both already ordered) and the possibility of working cash fund bonds.

The board has bought a bit of time and now needs our collective prayers, God's indulgence and Solomon's wisdom to accomplish its task. We sincerely wish success to the board. The quality of our schools and the product they produce — the children who will be our future leaders — are at stake.

## Jailing reporter unnecessary

We are glad to see that Richard Hargraves has been freed from the St. Clair County Jail, but the circumstances surrounding his release are less than perfect, in our opinion.

Hargraves, 34, is the Globe-Democrat editorial writer who was jailed in St. Clair County for refusing to identify the sources he used for an editorial. While he was working for the Belleville News-Democrat, he spent 36 hours in the St. Clair County Jail before his sources came forward and identified themselves. Circuit Judge Roger Schriver, who ordered Hargraves jailed, then agreed to have him released.

The editorial for which he was jailed contended that St. Clair County Board Chairman Jerry Costello had lied and broken campaign promises on the issue of a sales tax for buses. Two county board members, Ed Anderson and David Hickey, stepped forward to say that they believed they were the sources for Hargraves' editorial.

Hargraves has called his victory a limited one and vowed to work toward changing the laws regarding confidential sources.

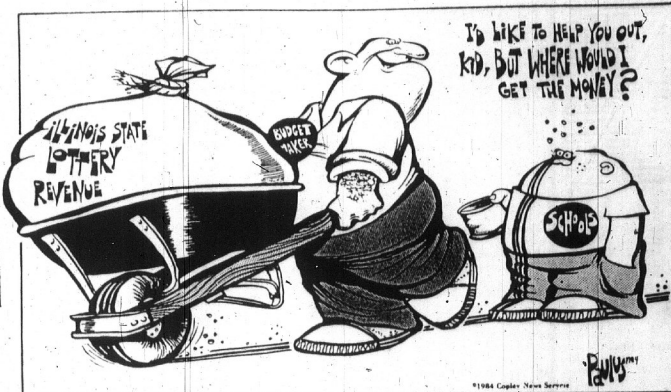

Hargraves showed a great deal of bravery in

refusing to identify his sources, even though Anderson had given Hargraves permission to identify him. Had the two county board members not come forward, Hargraves would likely still be behind bars.

That should have a chilling effect on all news sources, as well as reporters and editorial writers. Editorials are supposed to express opinions and Costello is certainly free to sue the writer if he feels the opinion is wrong. Hargraves then would have to defend himself, using his sources only if he felt it necessary. To jail him to identify those sources served no purpose at all. It should have been up to him if and when to identify those sources in his own defense.

The jailing of one reporter may not seem too important in light of the world's crisis, but the effect such a jailing can have and its ramifications on the future ability of the press to gather the news and help keep the public informed are extremely important.

We support Hargraves in his attempt to bring some sense to the laws regarding confidential sources.

### Illinois State Lottery

Quad-Cityans were asked last week what programs they think should be funded with the revenues the state obtains from lottery ticket sales. Their reactions follow:

**Wendell Cooper, Godfrey, Ill.**  
"I think the money should go to the education system. I don't feel the educational level of youth in the United States is up to par and something should be done about it."

**Lawrence Timmerman, a Granite City Steel worker**  
"I was under the impression that all of the revenue was going toward the school system. I like to see it going there. I haven't really thought about other programs that would benefit from it, but they could always give the money to me."

**The Rev. Don F. Pierson, Granite City**  
"I think the money should go to the junior college system so that college education could become more affordable for more people."

**Mike Scarbraugh, Madison**  
"The money should be used mainly to help the people in the state who are out of work. Secondly, I think the money should go for education. I always read in the paper where the school board is having financial trouble. And I think that, in this day and age, education is the most important thing of all."

## The Forum... Rep. Wolf pleased with legislative session

To the Editor:  
The spring session of the 1984 General Assembly has drawn to a close with the passage of many important pieces of legislation.

Some of the highlights of the session were bills addressing nursing home reform, senior citizens, hospital cost containment, and hazardous waste.

Nursing home reform legislation was passed and sent to the governor. It mandates tough enforcement against those who have committed abuses, using loopholes in the existing laws.

It provides fairer treatment for those who operate quality facilities. The legislation was sponsored by House Speaker Michael Madigan and I supported it.

We also sent to the governor legislation combating elder abuse. The Elderly Abuse Act will set up an elder abuse demonstration project within the Illinois Department of Aging to determine how best to address this problem.

Another seniors bill that was sent

to Gov. Thompson allows senior citizens to qualify for circuit breaker relief to get auto license plates at half the normal \$48 cost. The bill limits seniors to one set of reduced price plates for a \$24 savings each year.

After more than a year of discussion and negotiations, a new program designed to help senior citizens combat the high cost of prescription medicine was passed and sent to the governor. The program will limit the reimbursement to medicine used in the treatment of heart disease.

A major step toward controlling the increasing cost of health care was taken by the General Assembly with enactment of measures to provide the public with better information about hospital cost — and greater flexibility for the state in achieving the lowest possible cost for services paid by Medicare.

This legislation could become a model for other states because it allows the state to seek competitive

bids for various types of hospital services.

The bill also protects the rights of all citizens to obtain hospital services regardless of their income levels.

Several important hazardous waste bills also passed this session. Legislation to amend the Illinois Hazardous Materials Railroad Transportation Act and a bill which allows for training courses in hazardous waste emergencies were sent to the governor for his approval.

We passed and sent to the governor legislation directing the Environmental Protection Agency to conduct hydrological studies for proposed hazardous-waste landfills and a bill requiring annual EPA testing of private water wells that are within a half-mile of any hazardous waste disposal facility, at no charge to the owner.

I will continue to support legislation addressing the issue of hazardous waste.

STATE REP. SAM WOLF  
Granite City

## Senior Aides program applicants sought

To the Editor:  
The Senior Aides program in Madison County is funded by the Department of Labor through a grant to the National Council of Senior Citizens and is administered, locally, by Belleville Area College.

The program is designed to bring together the talents of the older workers and the unmet needs of the community. Participants from the age of 55 and up have demonstrated in concrete terms that "gray power" mean productive power and that older workers have the talent, enthusiasm and experience to make meaningful contributions in the work force.

The program is aimed at the rapidly increasing poor and near-poor, and the unemployed elderly population. It is not a welfare program nor an income-maintenance

program but a program designed to open up community service opportunities to individuals who firmly believe in the work ethic but who, for a variety of reasons have been unable to re-enter the workforce. It is a unique program that, by all testimony and independent examination, is a tremendous success.

For many, every year the Senior Aides Program represents the road back to full or part-time employment, unsubsidized by the government. New job skills, the elimination of the feeling of isolation that so many elderly people experience and a renewed sense of confidence often result in a new career or, as in the case of elderly widows, a first chance for participation in the workforce.

In addition to services provided in their respective communities, the

Senior Aides salaries are spent locally which contributes to the financial welfare of the community in which they work and live. Consider the fact that welfare costs would increase dramatically as older workers in the shrinking economy would find it increasingly difficult to locate employment opportunities.

If you are over the age of 55 and currently living on a limited income, you may qualify for employment in the Senior Aides program. For more information or an interview in the Tri-Cities area, contact me between the hours of 9 a.m. and 2 p.m. at 876-3223 at the Senior Aides office, 22nd and Iowa (Old McKinley School).

New applicants are welcome!

MILDRED MUZZARELLI  
Senior Aides Program

## Compassion speaks well of this community

To the Editor:  
I would like to commend the people of St. Elizabeth Medical Center in Granite City and the emergency medical team which responded when my dad suffered a fatal heart attack while visiting in the St. Louis area on June 7.

Bob Lamb responded to the emergency call and met the ambulance at the campground where

mother and dad were staying. He stayed with mother, age 69, until they reached the hospital. When it became apparent that nothing more could be done for Daddy, the hospital staff turned their attention to Mother and took excellent care of her until family members could fly from Georgia and South Dakota.

Bob Lamb spent his entire work day helping my mother and sisters

while they made necessary arrangements. Many others helped.

The care and services and the human concern for this family speak very highly for your city. Our loss was great, but the people in your city made the situation much easier to handle.

THE FAMILY OF  
THOMAS STUBBS  
Macon, Georgia

**ROUND OF APPLAUSE.** George Goodwin, in the Lions vest in the center, wearing glasses, receives a standing ovation from fellow members of the Pontoon Beach Lions Club as it is an-

nounced that Goodwin has been selected as Lion of the Year for the club. The honor was bestowed during the club's annual community awards dinner. (Press-Record Photos by Gary Schneider)

**MEDAL OF VALOR.** Mike Papp, left, receives an award from the president of the Pontoon Beach Lions Club, Bobby J. Durbin, honoring Papp for using life-saving techniques to help save the life of fellow Lion George Goodwin, who became ill during one of the club's bingo sessions in April. The Medal of Valor is not an annual award and is given only in exceptional circumstances.

#### 13-YEAR OLD DRIVER IS INVOLVED IN CRASH

Dezonnas S. Echols, 13, of 21 Bissell Street Apartments, Venice, was charged with not having a valid driver's license and failure to reduce speed to avoid an accident

last week when the car she was driving ran into the back of another car, injuring its driver.

Police officials believe that the driver of the second vehicle, Ronald E. Bates, 38, of Brooklyn, although injured, did not seek medical atten-

tion. Both cars were northbound on Madison Avenue at its intersection with Third Street, when Bates stopped for a red light. Miss Echols' vehicle then collided with Bates' vehicle.

Granite City Trust

Q: Your column last week concerning getting started with a budget by keeping track of all expenditures for a month was a good one. But, something else has worked for my wife and I. Have you ever heard of the "wish list" approach to budgeting?

A: Yes, and it's a good one. Here's how it works: Sit down and carefully make out a list, this time of everything you want, short of major purchases, like a car or home or large appliances. This, again, is an exercise in controlling all those seemingly insignificant purchases that really do add up. Now, divide the list into price groups with those less than \$10, those less than \$25, those less than \$50, and those less than \$100. Using this listing, allow yourself regular purchases from each category once a week or once a month. However, do not allow any unscheduled purchases. This is a good way to get the things you want, while controlling your spending.

## George Donahue

George R. Donahue, 58, of 2308 Terminal Ave., ill for eight months, died at 10:55 a.m. Sunday, July 8, 1984, at St. Mary's Medical Center in Richmond Heights, Mo., where he was a patient 12 days.

Born in Girard, Ill., Mr. Donahue lived in this area 40 years. He was employed at Granite City Steel 33 years prior to his retirement in 1981.

Mr. Donahue was a member of the World of Late Tabernacle. He served with the U.S. Navy during World War II.

He and his wife, Mrs. Helen B. (Powers) Donahue, who survives, were married on April 26, 1947, in Arkansas.

Other survivors include a son, William L. Donahue, Granite City; two daughters, Mrs. Charles (Barbara) Parks of Granite City and Mrs. Bennie (Debbie) Manion Jr. of West Frankfort, Ill.; two brothers, Leslie Donahue of Alton, Ill., and A. Donahue of Granite City; two sisters, Mrs. Bill (Doris J.) Masters and Mrs. David (Lion Eileen) Ellis; both of Granite City; his mother, Mrs. Thora L. Ellis of Granite City; 11 grandchildren and two great-grandchildren.

Visitation will begin at 2 p.m. Tuesday at Rob Thomas Memorial Mortuary, 2205 Pontoon Road, where the Rev. Henry Crippen will conduct services at 1 p.m. Wednesday, July 11. Burial will be in Lake View Memorial Gardens, Belleville.

## Ezra Goodman

Ezra E. Goodman, 83, of 35 Harveywood Drive, St. Louis County, formerly of Granite City, died at 12:30 p.m. Saturday, July 7, 1984, at St. Luke Hospital West in St. Louis County. Mr. Goodman had been ill five years and in the hospital five days.

Mr. Goodman retired in September 1968 from Reilly Tar and Chemical Corp. as a consultant. At that time, he was honored by corporate executives at a dinner party.

He started with the firm in 1925 as a laborer and during his 43 years of employment he advanced to the position of plant superintendent, plant manager, district sales manager and division sales manager.

Mr. Goodman was born July 19, 1900, in Greenville, Mo. He resided many years in Granite City prior to moving eight years ago to St. Louis County.

He and his wife, Mrs. Christine M. (Matty) Goodman, who survives, were married here July 2, 1923.

Mr. Goodman was a former deacon and member of First Baptist Church in Granite City. He also was a former member of the Optimist Club here.

Besides Mrs. Goodman, also surviving are a son, Robert E. Goodman of Burlington, Vt., a daughter, Mrs. Joseph (Betty Lou) Hyle of St. Louis County; three sisters, Mrs. Maude Brooks of Imperial, Mo., Mrs. Grace Mary of St. Louis County and Mrs. Lucy Burch of California; four grandchildren and six great-grandchildren.

Visitation begins at 3 p.m. today at St. Elizabeth Medical Center.

Merced Mortuary, 1416 Niedringhaus Ave., where services will take place at 11 a.m. Tuesday, July 10, with the Rev. Jack Cicciello officiating. Burial will be in Sunset Hill Cemetery, Edwardsville Township. The family requests memorials to the American Cancer Society.

## Francis McManus

Retired Granite City Police Captain Francis J. "Mac" McManus, 67, of 2552 E. 27th St., was pronounced dead upon arrival at St. Elizabeth Medical Center at 4 p.m. Friday, July 6, 1984. He had been ill the past few months (story on page one).

Capt. McManus retired in June 1982 after 32½ years with the Granite City Police Department.

He served 25 years as president of the Granite City Employees' Credit Union and was a member of the credit union board of directors.

Capt. McManus was a member of Sacred Heart Catholic Church.

Among the survivors are his wife, Mrs. Nora (Reeves) McManus, two brothers, James McManus of Jacksonville, Ill., and Leo McManus of St. Clairsville, Mo.; two sisters, Mrs. Elizabeth Long of Jacksonville, Mo., and Mrs. Mary Naffinger of Hopeville, Ill.; and Mrs. George (Jean) Mathews of Mapleville.

Funeral services were conducted at 10 a.m. today, July 9, at Davis Funeral Home, 1201 E. 27th St., in Calvary Cemetery, Edwardsville Township. The family requests that memorials be sent to the charity of one's own choice.

## Charles Ousley

Charles "Perry" Ousley Jr., 68, of 43 Moorland Drive, Mitchell, was pronounced dead at his home at 12:47 a.m. Friday, July 6, 1984, by Madison County Deputy Coroner Ed Morton. He had been ill since February.

Born in Waynesville, Mo., Mr. Ousley resided in the Quad-City area almost his entire life. His wife, Mrs. Dorothy (Peach) Ousley, died in 1969.

Mr. Ousley served in the U.S. Navy in World War II. He was a member of St. Peter's Evangelical United Church of Christ.

Prior to 1972, he was employed 20 years in the Motor Pool Department at the Granite City Army Installation.

He was a member of Venice-Madison American Legion Post 307, Granite City; and a member of the 272, Eagles Aerie 1126 of Granite City and Disabled American Veterans Chapter 53.

Among the survivors are two daughters, Mrs. Patricia Foote of Granite City and Mrs. Diana Campbell of Phoenix, Ariz.; a sister, Mrs. Bernadine Menden of St. Louis; four grandchildren and four great-grandchildren.

Services were conducted at 10 a.m. Monday, July 9, at Randall A. Irwin Chapel for Funerals, 2801 Madison Ave., with the Rev. Jerry Harris officiating. Burial was in St. John Cemetery, 2801 Nameoki Road.

## Patricia Sealey

Mrs. Patricia L. (Tippie) Sealey, 58, of 2300 State St., died at St. Elizabeth Medical Center at 3:45 p.m. Saturday, July 7, 1984. She had been ill the past three years and in the hospital four days.

Born Aug. 25, 1924, in Dyersburg, Tenn., Mrs. Sealey resided here 33 years.

She was of the Baptist faith.

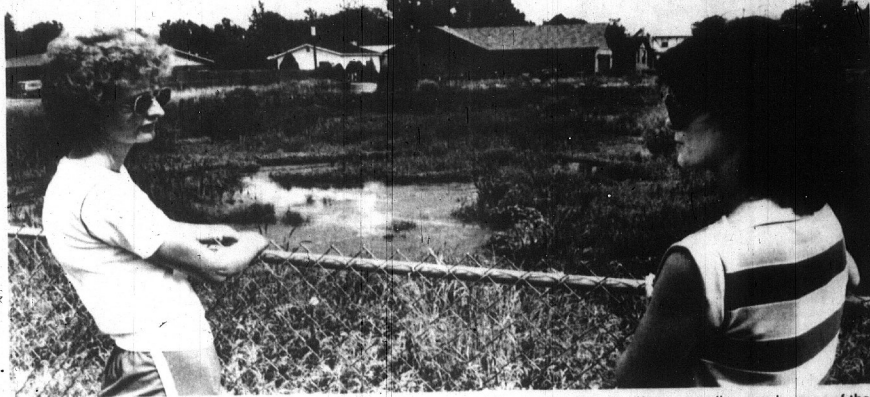

Her husband, Sam L. Sealey, died in 1975 and a son, Mickey Joe Sealey, died in 1983.

Among the survivors are a daughter, Mrs. Mary (Mary) Overturn of Granite City; a son, John D. Sealey of Granite City; two brothers, Elmo and Coy Tippie of Dyersburg; six sisters, Gladys, Margie, Gracie, Leana and Lindell Faye, all of Dyersburg; and Dorothy Mae of Bogota, Tenn.; 14 grandchildren and several great-grandchildren.

Services were conducted at 10 a.m. today, July 9, at Mercer Mortuary, 1416 Niedringhaus Ave., with the Rev. Doyle Aukrom officiating. Burial was in Sunset Hill Cemetery, Edwardsville Township. Visitation was Sunday.

ARRESTS FOR FIREWORKS

Gary M. Gibbons, 31, of 915 Reynolds St., Madison, was arrested in the 2200 block of State Street at 10:35 p.m. Thursday for allegedly setting off fireworks and also resisting arrest. In an unrelated case, a boy, 12, was arrested at Kirkpatrick Homes at 9:35 p.m. Thursday for throwing an exploding firecracker toward a boy, 15, who was treated at St. Elizabeth Medical Center for possible hearing damage.

**BACKYARD SWAMP.** The holding pond at the end of Clinton Drive off Maryville Road in Namecki Township has become a swampy area. Neighbors Mrs. Bonnie MacArthur and Mrs. Anita Frazier, whose backyards border the holding pond, say they have to live with the poorly-maintained and unsightly pond that has turned into a small swamp because of the poor maintenance. Township Highway Supervisor Frank Mehlich has this year refused to clean up this and other holding ponds in the area, saying his department has drainage authority only to protect township roads.

## Mrs. Wicklein, mother of GC woman, succumbs

Mrs. Clara (Wolff) Wicklein, 95, of Evansville, Ill., mother of Mrs. Rosemary Breyer of Granite City, died at 3 p.m. Thursday, July 5, 1984, at St. Ann's Health Center in Chester, Ill. She was a resident of the health center for nine months.

Mrs. Wicklein, a lifelong resident of Evansville, was of the Catholic faith.

Her husband, Henry Wicklein, died in 1946.

Other survivors include two daughters, Mrs. Angela Emge of New Athens, Ill., and Mrs. Rita Schilling of Ellis Grove, Ill.; two sons, Andy Wicklein, Shorewood, Ill., and Charles Wicklein of Belleville; 19 grandchildren; 14 great-grandchildren and one great-great-grandchild.

A 10 a.m. funeral mass was conducted Saturday, July 7, at St. Boniface Catholic Church in Evansville, with burial in the church cemetery, Visitation will be at the Veale-Welge Funeral Home in Evansville.

## Margaret Schneider dies at age 67

Mrs. Margaret M. Schneider, 67, of St. Louis, a member of Unity Chapel, Stratford and Village lanes, died Thursday, July 5, 1984, at the Alexian Brothers Hospital in St. Louis.

She was a lifelong resident of St. Louis, but visited in the Quad-City area regularly.

Survivors include a brother, Archie McLaughlin of Crocker, Mo., and nephews.

Funeral services were conducted at 9 a.m. Saturday, July 7, at Hoffmeister Chapel, 7814 S. Broadway, St. Louis, with burial in Mount Hope Cemetery, St. Louis. Memorials are requested for Unity Chapel.

## A DISTURBANCE ENDS IN CHARGES FILED

Thomas G. Welch, 31, of St. Charles, Mo., was charged with criminal trespass, disorderly conduct and criminal damage to property at 4:50 a.m. Saturday.

Welch was arrested at the home of Jacques Pabusi, 2408 State St., where police were called due to an alleged disturbance. Upon arrival, an officer saw a man talking on a telephone inside the house and a police sergeant spoke with Miss Pabusi through a window of a room in which she had locked herself.

An argument had erupted between Welch and Miss Pabusi and some crackery on the kitchen table was broken, she said. The man left the dwelling, but returned and the woman, who suffered a small cut on her left leg, locked herself in the bathroom pending the arrival of police, she reported.

Welch was released at 11:15 a.m. Saturday after posting a \$256 cash bond.

## PONTON-MARVILLE CRASH

Gary W. Fuller, 24, of 2593 Stratford Lane, whose pickup truck was in a crash at Pontoon and Maryville roads last week, was treated at St. Elizabeth Medical Center for slight injuries. George W. Storey, 37, Troy, Ill., whose car also was involved, was charged with failing to yield the right-of-way, driving with an expired license and transporting alcohol. The truck continued on and damaged a state traffic light stand.

## Robbery victim released after treatment at SEMC

An independent distributor of the St. Louis Post Dispatch was released from care at St. Elizabeth Medical Center today following tests involving a head injury.

John Kline, 56, St. Louis, was admitted to the hospital yesterday after he was abducted and robbed during while distributing newspapers in St. Louis.

Police say the white man about 6 feet tall with sandy hair and a slim build approached Kline and forced him into his delivery van at gunpoint. The man ordered Kline to drive to the end of a dirt road off Illinois Route 3 north of Interstate 270 in Madison County. Kline and the suspect became involved in a struggle when the suspect told Kline to walk down the dirt road and into some bushes.

## Legislation for 2nd Alton lock passes the U.S. House

A bill called crucial to the survival of the domestic waterway transportation industry has passed the U.S. House of Representatives today by a vote of 259-33. The House bill (H.R. 3678) authorizes the repair and replacement of seven critical lock and dam facilities along the nation's 26,000 miles of navigational waterways and includes the second lock for Lock and Dam 26 at Alton.

According to Joseph Farrell, president of The American Waterways Operators, Inc., "Passage of this legislation gives the barge and towing industry a badly-needed shot in the arm." Farrell explained that this industry has been in a severe economic depression for the past few years plagued by bankruptcies and decreased movement of bulk freight — and that this legislation is "absolutely essential" to the barge and towing industry's eventual recovery.

"When the locks and dams are closed or crumbling, the flow of petroleum and building materials essential to the economy don't move. The result has often been paralysis on the waterways," Farrell said.

"The locks and dams have been deteriorating at an alarming rate," Farrell said. "As our ability to move freight deteriorates, so does our ability to compete with the nation's railroads — our chief competitor."

In such a situation, where domestic competition is diminished and the U.S. trade position weakened, it is the American consumer who loses the most, he added.

The legislation introduced last August by Rep. Robert A. Roe (D-N.J.), is the first major water resources construction bill in 14 years. The bill, which underwent two years of comprehensive hearings, authorizes repair and replacement of seven locks and dams around the nation, and provides for the development and deepening of ports, flood control, shoreline protection and water supply projects.

The seven lock and dam projects authorized by the legislation include replacement of Gallipolis Locks, Ohio River; Bonneville Lock, Columbia River; Oliver Lock, Black Warrior River; Locks 7 and 8, Monongahela River; Winfield Lock, Kanawha River; and the auxiliary chamber at Lock and Dam 26, Upper Mississippi River.

**2 bicyclists hurt when hit by trucks**

Two youthful bicyclists were injured during the weekend when struck by autos in separate mishaps.

In an accident in the 1900 block of Johnson Road, occurring at 5 p.m. Friday, Melvin C. Wallace, 8, of 3000 Marshall Ave., was injured and taken by ambulance to St. Elizabeth Medical Center.

Jeffrey L. Uristo, 27, of Wood River, was driving east on Johnson Road when the Wallace boy crossed northbound in front of his car on a bicycle. Uristo applied his car's brakes, but couldn't stop his vehicle in time, the motorist told police.

At 8:15 p.m. Saturday, Chris Graham, 14, of Highland, rode a bicycle onto Wabash Avenue from Waterman Avenue and the machine was struck by a northbound auto operated by Olivia E. Nelson, 41, of 2220 Orville Ave.

The Graham boy was knocked from the bicycle and sustained injuries. He was taken by ambulance to St. Elizabeth Medical Center for treatment.

## Rifle-wielding man confronts officers

A potentially dangerous situation was successfully defused by Granite City police officers who were confronted by a man with a loaded rifle at 11:35 p.m. Saturday.

Police responded to a disturbance call at the home of John L. Kibbons Sr., 49, of 2905 Roosevelt Ave., who allegedly began arguing with his wife, Linda, about 9:15 p.m.

During the argument, he reportedly grabbed Mrs. Kibbons by an arm and tried to force her into the back part of the house, holding a rifle, it was alleged. An officer went inside with his weapon drawn and Kibbons allegedly pointed the rifle at the officer.

Reports said Kibbons' son then came out of a bedroom and was told to leave the house. He argued against doing so, but finally left the dwelling.

Kibbons Sr. allegedly made serious threats against the officers, while alternately telling them to shoot him and get out of the home.

At one point, Kibbons picked up a telephone and he was going to call the police station and he backed up toward a smaller room at the rear of the house, pointing the rifle at the ceiling, reports said.

After replacing the phone, Kibbons allegedly advanced on the officers, crossed the kitchen, holding the rifle waist high, and again pointed the weapon.

When the man got about 15 feet away, one patrolman grabbed the barrel of the rifle and he and a second officer forced Kibbons to the floor and a struggle ensued.

Other officers arrived and Kibbons was relieved of the weapon and handcuffed, reports said.

After the incident, Officer R.W. Hayes underwent treatment for bruises to his ribs at St. Elizabeth Medical Center.

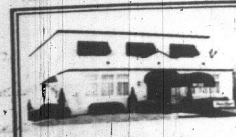

Kibbons was booked on charges of aggravated assault, resisting arrest, battery and for not having a Firearm Owner's Identification card.

## News notes

The Illinois Child Passenger Act signed into law a year ago has been credited with saving at least 13 youngsters' lives in traffic accidents. The law requires parents or legal guardians to provide safety seats for children from infancy to 3 years of age and safety belts for four and five-year-olds. The Illinois Department of Transportation has made funding available to hospitals, public health departments and civic organizations for safety seat loaner programs.

A status report on Illinois grain dealers and warehouses that are members of the Illinois Grain Dealers Insurance Fund (IGIC) is now available at the Illinois Department of Agriculture. The IGIC ensures the existence of adequate funds so that grain producers and depositors may be compensated for losses in the event of a grain dealer or warehouseman failure.

Fred H. Utting, acting director of the Illinois Department of Public Health, last week announced that the Robershaw Controls Company has offered to pay \$150 to consumers who replace Uniflow A-1 series liquid propane gas water-heating systems with new LP gas water-heating units. "Robershaw indicates that because of age, the critical parts of the safety control on some older systems can ultimately wear out and have been involved in explosions and fires," said Utting.

## On Aug. 17 Luncheon to benefit Park Baseball Leagues

Granite Cityans will have two opportunities to honor one of its favorite sons, Dal Maxvill, on Friday, Aug. 17.

In addition to Granite City Community Night at Busch Stadium, which has already been slated for that evening, Granite Cityans will be able to attend a luncheon that afternoon for Maxvill at Charlie's Restaurant.

Maxvill, a member of the St. Louis baseball Cardinals' World Series teams in 1964 and 1967 and now a coach with the Atlanta Braves, will be in St. Louis as the Braves begin a three-game series with the Redbirds.

Maxvill, who grew up and played Little League baseball in Granite City, is perhaps best known by Cardinal fans for his clutch hit in the seventh game of the '67 World Series which sparked the Redbirds to a Series victory over the Boston Red Sox.

In addition to the two World Series that Maxie spent with the Cardinals, he was later traded to the Oakland Athletics of the American League

and went on to shine for A's during their heyday in the early 70's.

Tickets for the luncheon are \$20 and may be purchased at the Tri-City Area Chamber of Commerce office, the Financial Planning Centre, 3701 Nameoki Road and the Press-Record Sports Desk. Tickets for Granite City Community Night at Busch Stadium will be made available by the Cardinal organization in two weeks and may be purchased at the Tri-City Area Chamber of Commerce, the Financial Planning Centre, the Press-Record Sports Desk and area grocery stores.

Proceeds from the Aug. 17-Dal Maxvill Luncheon will benefit the Granite City Park District Youth Baseball Leagues.

Persons seeking ticket information or need further information about either the luncheon or the Granite City Community Night at Busch Stadium should contact Mark Goldenberg at the Financial Planning Centre at 877-0088 or the Press-Record Sports Desk at 876-2000.

**LUNCHEON PASS.** George Sykes (center), president of the Granite City Park Board, accepts a ticket for the Dal Maxvill Luncheon from Mark Goldenberg, Granite City Night at Busch Stadium chairman. Flanking Sykes is Leo Konzen who

will emcee the Aug. 17 luncheon. Proceeds from the luncheon, which is slated for Aug. 17 prior to the Cardinal-Braves game, will benefit the Park District's Little League baseball programs. (Press-Record Photo by Patrick Foley)

## A Pitchers' Duel

## Whitsell brilliant, but Triplets bow to Belleville

By ALAN L. GERSTENECKER  
Sports Editor  
of the Press-Record

BELLEVILLE — Sunday was Danny Whitsell's day. Everything was going right for him. He felt good. The muscle he pulled in his lower back earlier this spring has mended, and his slider was biting nicely into the evening breeze here at Citizen's Park.

Yep, it was Whitsell's day. But, a rare and odd thing happened Sunday night to Whitsell. It didn't matter that he sent down seven Belleville Legion batters on strikes, walked none and allowed just three hits. His efforts, sadly enough, were moot as far as the record books are concerned. They will say only that Whitsell was the losing pitcher in this 1-0 pitcher's duel.

"WHAT CAN you say after a game like that one," Whitsell said afterward. "I felt great, my slider seemed to be catching the wind right and I thought we would win it. We just got the bad breaks," Whitsell concluded.

Through five innings of baseball, Whitsell and his counterpart, Belleville's Joe Houk, were masterful on the mound. Collectively, through the first five innings the pair struck out 13, walked one and allowed just one hit to that point in the ball game.

Then came the sixth inning. Earlier this season, the Triplets have had their problems with the sixth inning. And as it turned out Sunday night, the sixth inning came back to haunt Tri-City.

THIS TIME, however, it wasn't of Tri-City's doing. They did not call a lapse but did Belleville do anything spectacular.

Instead, the Triplets were victims of an infield hit which scored a game's only tally from third. Belleville's ninth batter, Bruce Badgley, reached on a bloop single to left field and stole second. A passed ball put Badgley on third for the fatal play.

### On Friday

## G C Juniors blast Mitchell 5-1

By AL BARNES  
for the Press-Record

**MITCHELL.** — The members of the Granite City Junior American Legion baseball team are the youngest in the entire league, but they are growing up very, very fast. And most importantly those going through the process of "growing pains," according to their manager-coach, Paul Kacera, former pro league player.

"The boys are now playing good baseball," he said after the team,

With two outs, pitcher Joe Houk bounced a grounder to third baseman Randy Burgess. Burgess cleanly fielded it and tossed it to first for the apparent put out. But, evidently, it wasn't as apparent as that.

THE FIELD umpire ruled Houk safe and the run that scored turned out to be the game's deciding factor. Tri-

On the other side of the field, Belleville coach Barney Elser briefly discussed the play after the ball game.

It was close, definitely close. But the umpire was a lot closer to the play than I was. All he can do is call the play the way he sees them," Elser said.

FOR RIGHTHANDER Houk, Sunday

## District 22 Standings

### North Division

Alton	10-5
Highland	11-8
Edwardsville	8-7
Granite City	10-11
Bethalto	8-9
Collinsville	6-9
Troy	2-11
East Alton	1-16

### South Division

Smithton	12-3
East St. Louis	11-3
Belleville	12-5
Fairview Heights	8-7
Cahokia	7-7
O'Fallon	7-9
Waterloo	7-9
Marissa	7-10

City coach Dave Coakley, flabbergasted by the call, walked on to the field and requested an appeal which never came.

As it turned out, Houk collected the RBI which would win the game for himself.

"I couldn't believe the call myself," explained Whitsell. "I was walking off the field. I couldn't believe it."

Coakley expressed his opinion of the call.

"It's really a shame in a game like this one, when you've got two kids pitching their hearts out, to have someone make a call like that," Coakley said.

"I generally don't get involved with the umpires, but I couldn't sit back on a call as blatantly bad as that one."

"It's a policy of mine not to criticize the umpires, but this was too good a game for it to be decided on a ball call," Coakley said.

night's victory was his fourth of the season. Striking out eight, walking two and allowing just two Triplets hits, Houk improved his record to 4-1 on the season.

Whitsell, tagged with the loss, fell to 3-3 on the season.

Tri-City, now 10-11 overall this season, will square off against O'Fallon on Thursday at Granite City High's Varsity Field. Action begins at 6 p.m.

### SCORING

TRI	000	000	0-0-21
BVL	000	001	2-1-31

TRI-CITY: Rujawitz 1B; Whitsell 1B; Williams SAC. LP-Whitsell, 6 Inn. 50-7, BB-0, LBS-4

BELLEVILLE: Lanson 1B; Houk 1B, RBI; Badgley 1B. WP-Houk, 50-8, BB-2.

and Edwardsville. Dominating the West Division race is East St. Louis. Talking about the Friday night's game between MAC and G C Juniors, Kacera apparently had a dream and dark premonition lying just around the corner for his and other junior Legion teams in this summer of 1984.

Kacera's concern was so obvious, he was asked to spell it out. "It's the competition by the soccer program here in Granite City which is threatening our baseball program," he explained, shaking his head sadly.

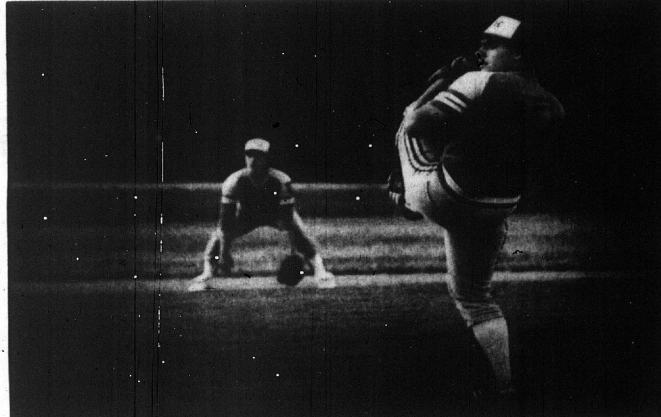

He elucidated further. "The soccer folks, in their enthusiasm, have decided to make their sport a 12-month affair. Understand, they have every right to do so, but the decision has and will continue to endanger the future of other sports and particularly baseball. We met Sunday to decide what we could do about it and decided to seek a meeting with the soccer forces to work out something," he explained.

Be specific, his (Kacera's) assistant, Carl Benson, was asked. "Son," he said, "the soccer program is a threat to our baseball program."

He explained further. "The soccer folks, in their enthusiasm, have decided to make their sport a 12-month affair. Understand, they have every right to do so, but the decision has and will continue to endanger the future of other sports and particularly baseball. **WHIRLING WHITSELL.** Tri-City Senior Legion's Danny Whitsell had all of his "stuff" Sunday night in Belleville, striking out eight and walking none. But the Triplets' offense couldn't get on track as Tri-City fell to Belleville 1-0 in an inter-division contest. Also pictured is Triplet shortstop Steve Davis. (Press-Record Photo by Alan L. Gerstenecker)

## At Tri-City Speedway

## Smith gets fifth modified win; Wallace claims 'Firecracker 40'

By JOE SENTER  
for the Press-Record

Bo Smith of St. Charles, Mo., won his fifth consecutive modified feature event Friday night at Tri-City Speedway in Granite City.

Smith, driving a Smith Super Fly 1984 Plymouth Arrow, seems to have it his way on race night, beating out several fine modified drivers, including returnee to Tri-City Speedway Randy Weeks of Granite City.

Weeks, driving a modified Camaro made it pretty rough on Smith, but could only make a fourth place finish in the big money feature event. Tom Utley of Kirkwood, Mo. finished 2nd to Smith and Carl Poser of Belleville, was 3rd.

Smith also took the heat race with Utley taking the trophy dash. Weeks finished fourth in his heat and third in the dash.

Lou Fritz of O'Fallon, won the Sportsman's Car feature event, while Steve Quartermouse of Cottage Hills, won second and Mike Seets of Brighton was third.

Quartermouse took the heat race and the trophy dash. Rich Steyn of Cedar Hill, Mo. won the Street Stock feature with Jim Wilson of Granite City finishing second.

Steyn also, won the heat race, while Ron "Tiny" Baldwin of St. Charles, Mo. won the Street Car eliminator race in a Monte Carlo.

Last Tuesday, July 3, Mike Wallace, the young firecracker from Arnold, Mo., and younger brother out of the famous NASCAR late model

stock car rookie, won the "Firecracker 40" modified feature event for the \$1,000 first-place prize at the speedway.

Wallace, driving a 1984 Chevy Cavalier modified #65 powered by a Don Kirns Chevy 302 C.I. racing engine, started in the fourth position.

At the drop of the green flag it was the hot cracker, John Seets, from Brighton, driving Bob Smarts "Burger King Special" 1984 Mustang #75 that took the lead in the second 20 turn on the first lap. From his third place starting spot, Seets led the first 39 laps of the 40-lap event only to lose out after getting caught in some slow traffic in the first and second turns on the 40th lap. It was then that close running Wallace took over the lead and gained the victory for the big cash payoff.

Wallace had been nipping at Seets rear bumper for almost the entire race and finally passed Seets in the final lap.

Wallace also won his heat race and the trophy dash making him a clean sweep for the night.

Bo Smith finished a close third place while Mike Hammerle, of the Allied Auto Racings Association Big Wheel, finished fourth. The 1983 Lake Ozark Speedway's late model stock car champion finished fifth.

Ed Dixon from Washington, Mo., driving the Dixon Auto Sales, tangled with a spun out car in the third turn of the 12th lap knocking him out for the night. Dixon set the fast

qualifying lap of 23.110 seconds for the one-half mile.

Mike Seets, brother of John of Brighton, won the \$500 first place sportsman's "30" lap feature event, leading the entire distance in his #10 Camaro. He was followed by still another brother Jake Seets for the second place finish. Mike Seets also took his heat race.

The semi features had to be called off due to the threatening rain that moved in just as the checker flag fell on the sportsman feature event. There were 27 modified cars and 39 sportsman cars on hand for this big money event.

Joe Medlock of Kirkwood, Mo. did a complete upside down flip in his heat race but was not hurt.

## Good News Both McDonald's and GC Chiefs win

By CHARLIE SKAER  
of the Press-Record

GRANITE CITY — McDonald's made a repeat performance of last week's showing by sweeping a double-header Sunday over the Cahokia Braves in Illinois Inter-City League action.

McDonald's coasted to a 10-1 victory in the first game, thanks to seven errors from Cahokia fielders. The second contest proved to be more of a battle, but McDonald's scored one run in the bottom of the seventh off of a clutch hit by Ron Pinkston for an 8-7 win. McDonald's, who had beaten Cahokia in two games last Sunday, upped their record to 10-2.

**AS IMPORTANT** as McDonald's victories were, the biggest news of the afternoon came in Cahokia where the Granite City Chiefs got in the win column by posting a pair of victories over the Metro Wildcats.

The Granite City Chiefs ended their 13-game losing streak with not only one, but a pair of upset victories over the Metro Wildcats.

Chiefs' hurler Dominic Griffin pitched the first win of the season for Granite City, with a 11-8 victory in the opener of Sunday's double-header.

Tim Evans recorded the save, pitching two error-free innings of scoreless baseball.

Granite City's bats stayed hot as they took a 7-5 victory in the nightcap. Bill Elmore pitched seven innings to earn the victory.

**SUNDAY'S** victories proved to be sweet revenge for Granite City coach Dennis Gurkin, especially because his team lost 5-4 and 27-0 in a double-header against Metro last week.

"I've known all year long that we're better than we've been playing," said Gurkin. "We just finally got things together."

In Sunday's opener, Granite City jumped on top by scoring one run in the first inning. However, the lead didn't last for long as Metro scored five runs in the bottom half of the inning.

But the Chiefs came back with one run in the second, two runs in both the third and fourth innings and three in the fifth inning to take a commanding 9-5 lead.

Metro returned to score three in the bottom of the fifth before relief pitcher Evans took the mound to stop the Wildcats.

**"WE DANCE** in there and performed when we really needed him," said Gurkin. "He shut them off dead."

**Whip Shiloh, Valmeyer**

**Battered in Kansas, winning ways return with Spanky's homecoming**

By AL BARNES  
of the Press-Record

**VALMEYER** — Back home in Illinois after dropping three games to the Hutchinson Broncos out in Kansas last week, the 7-Up/Spunky's have bounced back like champions and have won their last three games.

Thursday night, at Edwardsville's Hoppe Park they won their 10th straight Metro East game by defeating a stubborn Shiloh, 11, Blue Sox club, 7-3 behind the brilliant six-hit pitching of Gerry Gerkin, who is now 6-2 for the season.

Backing Gerkin at bat for Spanky's were Keith Honick (3-for-3 and 2 RBIs), Doug Peters (1-for-3 and an RBI), Jack Scarborough (2-for-4 and an RBI), and Bill Stoltz, whose one hit in two times up, kept a hitting (nine games) streak alive.

Saturday afternoon at Valmeyer's beautiful Borsch Field, the 7-Up/Spunky's swept a double-header from the tough Valmeyer Lakers of Manager Denny Pieper, 3-2, and

They didn't score any off of him." Granite City added two insurance runs in the top of the seventh to complete the game's 11-4 final score. Mike Gagliardi, who recorded two hits in the contest, scored what proved to be the winning run in the fifth inning off of a hit by Jeff Dalton. Rich Takmanian had two hits and batted in two runs, while Milt Roe drove in two runs with one hit during the contest.

Granite City jumped to a 7-0 lead in the second game, scoring two runs in the fourth and five runs in the fifth. Metro's attempt at a comeback was stopped by Elmore, who went the full contest to record the 7-5 win.

**"OUR PITCHING** came through and we hit the ball very well," said Gurkin. "In the second contest, everybody in the lineup got at least one hit."

Stegelman continued his hitting streak by going 3-for-4 during the second game. Dennis Gurkin Jr. went two for four, while Elmore also helped his cause with two hits.

"Nobody likes to get beat 27-0," said coach Gurkin, commenting about last week's loss. "But the quitters that have left us are already gone. What we are left with are the guys with a little guts."

Granite City will try to continue their winning ways next week when they play at home in a double-header against Maryville. Granite City's record now stands at 2-13.

**IN THE** double-header at Wilson Park, McDonald's pitcher Mike Zukas upped his record to 4-1 with an easy 10-1 victory in the opening game. Zukas held Cahokia to just three hits. Greg Malone took the loss for the Braves.

McDonald's also appeared headed for an easy victory in the second contest as they took a 4-0 lead after two innings. But Cahokia tagged starting pitcher Bud Prazma for five runs in the second before coach Ray Harris sent center fielder Steve Doty to the mound in relief.

Cahokia upped their lead to 6-4 in the fourth, but McDonald's came back with three runs in the fifth to go ahead, 7-6. Left-handed batter Tom Stegemeyer started the inning off with a single, followed by a double by Jeff Parker. Jim Draper then tied the game with a double to deep left, driving in Stegemeyer and Parker. Draper later scored off a wild pitch by Cahokia hurler Jim Palmer.

**CAHOKIA** tied the game in the sixth off of an error by Prazma, who had moved off the mound in the second to demolish Valmeyer, 16-3, on Vince Broderick's four-hit pitching and the winner's 16-hit attack.

Doug Peters, shortstop from Delta State University, in Mississippi, paced all Spanky batters with 3-for-4 and five runs batted in including a three-run four-bagger.

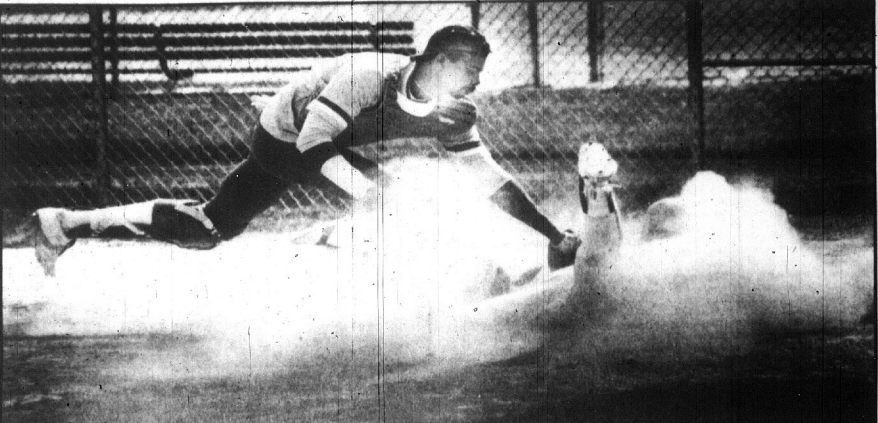

Wayne Rohlfing's two-run homer in Valmeyer's half of the first inning was, according to many Old Timers in the stands, the hardest, and longest hit ball ever in Borsch Park. Leading off the bottom of the fourth, the loser's Mark Forshee, blasted a long four-bagger to make Vince Broderick talk to himself after the game, even though he still had a 15-3 lead.

"I don't know why, but when I've got a lead lately, I get a little careless and oops, I get it right for then to put it out of the park," he wryly explained.

Spanky's is now 23-11 for the season and appear to be clinched to win their seventh straight trip to Wichita, Kans., and the championship tourney there sponsored by the National Baseball Congress.

The three-run lead looked safe for Gluckman with the southpaw moving the Lakers down, but Valmeyer has a lot of power and bounced back in the bottom of the sixth with a pair of runs on Al Rohlfing's two-run double.

In Saturday's second game, 7-Up/Spunky's almost completely

**DUST BOWL.** Cahokia catcher Isiah Dale puts the tag on McDonald's sliding baserunner Kevin Sykes during the second game of a double-header Sunday in Inter-City League action at Wilson Park. Although Sykes was tagged out on the

second-inning play, he had successfully stole home during a squeeze play in the first inning. McDonald's went on to take a 8-7 victory in the contest, while coasting to a 10-1 win in the first game.

## In Swimming, Diving Victory is confidence builder, but Paddlers look to Sunset Hills.

By ALAN L. GERSTENCKER  
of the Press-Record

GRANITE CITY — According to Paddlers' Swim Club swimming coach, Celeste Sonnenberg, last Tuesday's victory over nearby rival Gashlight went a long way towards rebuilding her team's confidence

after the previous week's loss. But, says Sonnenberg, Paddlers' still has a lot of work ahead of them.

Tomorrow, Tuesday, Paddlers' swimmers will put their one-meet winning record on the line as they host Sunset Hills of Edwardsville for their second home meet of the season.

Coach of the reigning Southwestern Illinois Swimming Association champs, with but a single loss in the last five years, Sonnenberg expects Sunset Hills to be competitive Tuesday, but not as difficult as the away meet which follows against Montclair Swim Club, also of Edwardsville.

**"WE'RE** not going to look past anyone at this juncture," Sonnenberg said Sunday. "But we don't expect them to be as difficult as Montclair the following week. I know Montclair has been working hard, getting ready for us and the championships. We're just trying to do the same thing."

Although Sonnenberg declined to say that Sunset Hills would be a lot better, it's like they realized that the following Tuesday, she said she does expect the competition to get some of the team's best swimmers out there.

"Since we lost to Summer Haven, the attitude on the team has been a lot better. It's like they realized that 'Hey, we're not invincible, and we can be beat,'" Sonnenberg said.

"It's like losing has convinced them that there are other good swimmers out there."

**GAYLE** McCormick, Paddlers' diving coach, echoed Sonnenberg's thoughts.

"Our club is lacking boys, especially in the older divisions. As I understand it, Montclair is full in nearly every division. To make up for those that we don't have we've got to give our best if we're to compete with them."

Although both coaches admit that their teams are lacking "the numbers," both say that the athletes they do have are contributing to their potential and then some.

Sunday, Sonnenberg cited particularly three swimmers: Jason Tally and Steven Geske, both 8 and under and David Baker, 13-14, who have been swimming well and showing signs of improvement.

**"BOTH** Jason and Steven are really working hard and it's obvious from meet to meet. And as for David, he may not be winning, but he's surprising me with the strides that he's making. He keeps trying to improve, he's finishing a lot stronger than I expected."

In addition to Tally, Geske and Baker, who seem to be Paddlers' swimming future, much of Paddlers' present continues to focus on three swimmers — Mike Geske, John Amisch and Patti Martin.

Each record setters last week, the trio is almost weekly surpassing the marks set the previous week.

**IN THE** 50 yard freestyle last Tuesday, Mike Geske, swimming in the 15-17 division, finished in 26.76 seconds. The record-setting performance broke the old mark set by John Becker in 1982 of 27.02 seconds.

In the 200 yard individual medley, John Amisch continued his record-setting ways as he bettered the 1982 record set by Shawn Allen. Amisch swam the medley in 2:27.46, eight seconds faster than the old mark of 2:35.46.

Patti Martin, the girls' 15-17 swimming ace continued her torrid pace, setting two records. In the 200 yard individual medley, Martin shattered Cindi Strotheide's 1982 record of 2:45.31 by nearly four seconds, 2:41.33.

Patti continued the pace well into the 100 yard butterfly as she bettered a seven-year record set by John Becker, eclipsing the old mark by seven seconds, 1:10.54.

Linda Polette

### Graduate honored with celebration

Friends and family of Linda Polette, 2336 Oregon Ave., recently celebrated her graduation from Southern Illinois University in Edwardsville with a bachelor of science degree in human services. She currently is continuing her education at SIUE toward a master's degree.

The party was given by the graduate's sister, Mrs. James Needham, and by Sandy Townzen at the Needham home, 2201 Shirline Drive.

Attending were Miss Polette's father, Mr. Martin Polette; her brother, Mark Polette; grandparents, Mr. and Mrs. Floyd Walker; uncles and aunts, Mr. and Mrs. Frances Polette of Collinsville and Mr. and Mrs. Albert Khum of Florissant, Mo.

Friends attending included Mrs. Jean Francis, Mrs. Rose Stern, Miss Barbara Overton, Mrs. Carolyn Cleveland, Mr. and Mrs. Robert Scaturro and Mrs. Cynthia Hartling.

**HOPPING GLAD.** Travis Richey, son of Mr. and Mrs. David Richey, 2836 Wayne Ave., is the recent grand prize winner in the bullfrog races near Branson, Mo. The races are conducted each evening as part of the activities that precede the enactment of the "Shepherd of the Hills" outdoor drama.

### Local youth takes frog jumping prize

You might say the grand prize came to Travis Richey through leaps and bounds. Travis, son of Mr. and Mrs. David Richey, 2836 Wayne Ave., won the grand prize turn in the bullfrog races conducted near Branson, Mo.

Frog racing, an idea popularized by Mark Twain in his classic stories about Huck Finn and Tom Sawyer, has been revived and is now the feature attraction of the preschool entertainment at the Old Mill Theatre in Branson, Mo., where the "Shepherd of the Hills" story is enacted nightly.

Travis was among participants chosen from the audience for the bullfrog races. Each participant is given a large bullfrog, along with instructions in handling the frogs properly.

Theater officials say frog racing is a "natural prelude" to the drama, based on the novel written by Harold Bell Wright. Frog racing became a regular part of Milling Day activities during the turn of the century.

### MAN INJURED IN THREE-CAR ACCIDENT IN MADISON

Benny P. Mangiaracino, 59, of 1706 Second St., Madison, was injured when his car collided with a car at the intersection of Third Street and McCambridge Avenue last week.

The driver of the second car, Gregg A. Ochoa, 26, of St. Louis, then collided with a third vehicle driven by Harold R. Wooten, 58, of 2012 Fourth St., Madison. Neither Ochoa nor Wooten was injured.

The accident occurred when Mangiaracino, who was southbound on McCambridge Avenue, attempted to make a left hand turn onto Third Street. Ochoa's car was in the outer southbound lane and collided with Wooten's vehicle, which was on the east side of Third Street. Mangiaracino was charged with failure to yield the right-of-way while turning left.

## Agreement will lower cost of workmen's compensation

Governor James R. Thompson has announced an agreement between labor and management officials on workers' compensation issues that will help lower insurance rates by more than four percent.

"This agreement not only will help employers lower their workers' compensation insurance costs but will help our injured workers receive their benefits more promptly, for many of them have their backs against the wall when there is a delay in workers' compensation payments," the governor said.

"This is the latest in a series of successful meetings aimed at lowering the costs of workers' compensation while also helping the injured worker. Labor and management are to be congratulated for these efforts to work together toward the common good."

Under the agreement there would be four changes in workers' compensation law.

The interest rate on arbitrators' awards change effective July 1. The rate currently is one percent over the prime rate. Under the agreement, the rate would follow the in-

terest rate of six-month Treasury bills.

On permanent partial disability awards, the award would be based on 60 percent of the worker's average weekly wage rather than the current 66 2/3 percent level.

The cap on the maximum weekly benefit for permanent partial disability would remain in effect for the next three years at \$293 a week.

Changes would be made in the law to improve sections that deal with procedures within the Illinois Industrial Commission designed to speed up resolution of all cases, particularly hardship cases.

The governor commended the four leaders for their participation in the negotiations. He also thanked the Illinois Manufacturers' Association, Illinois State Chamber of Commerce, Associated Employers of Illinois and the Illinois Retail Merchants' Association, and labor groups such as the Illinois AFL-CIO, United Auto Workers, Teamsters and the United Mine Workers.

In particular, let me thank Bob Gibson, (a former Granite City) president of the State AFL-CIO, IMA President Arthur Gottschalk and

### GARAGE EQUIPMENT TAKEN

Ezekial Moore of 113 W. Third St., Madison, told police last week, that someone gained entry to his garage and took several pieces of equipment. Items missing include a chainsaw, hedge trimmer, fire extinguisher, four-foot level, a hand saw and a foot-operated air pump. Moore said he had left his garage open.

Chamber President Les Brann for their efforts in bargaining in good faith and putting in long hours on this difficult subject," the governor said.

## Weddings

### Keeton-Doty

Miss Karen Doty, daughter of Mr. and Mrs. Samuel Doty, 2733 W. 22nd St., and Randall Keeton, son of Mr. and Mrs. Victor Keeton, 2930 Morgan Ave., exchanged wedding vows on May 5 at the West 22nd Street Baptist Church.

The Rev. Louis Thiele officiated at the 6 o'clock evening ceremony. Organist Paula Lewis accompanied Pam Smallman, a sister of the bride, and Jim Garner, who sang a selected program of wedding music. Maid of honor was Chris Starnes, a niece of the bride, and bridesmaids were, Tammy Ossek, a sister of the groom, and Linda Lelenewski. A niece of the bride, Lora Smallman, served as the flower girl.

The groom selected his brother, Rick Keeton, as best man. John Keeton, another brother of the groom, and John Ossek, a brother-in-law of the groom, were groomsmen.

Serving as ushers and candlelighters were, Bob Barnhart and Jim Starnes, nephews of the bride.

Guests were received at a reception held at the Lion's Home in Madison, after the service. The newlywed couple honeymooned in the Missouri Ozarks and are now living in Madison.

Mr. and Mrs. Randall Keeton

Both young people graduated from Granite City High School South. The former Miss Doty is employed as a technician at Tri-City Eye Center, Ltd., and the groom works for the St. Louis Area Support Center.

### Harper-Hash

The wedding of Miss Sandra C. Hash and Harold Harper Jr. was solemnized on May 26 at St. Peter Evangelical United Church of Christ with the Rev. James Brown officiating at the 5 o'clock evening ceremony.

Nuptial selections were furnished by Mrs. James Brown, organist. The bride is the daughter of Mrs. Rose Hawley, 4556 Walter Ave., and Raymond Hash, 3209 W. Point St., Collinsville. Parents of the groom are, Mr. and Mrs. Harold (Annie) Harper Sr., Rural Route Two, Granite City.

Guests were received at a reception held at the Lions Home in Madison, immediately following the service.

Multi Beck served as honor attendant with bridesmaids, Pat Rose and Michelle Wright, cousins of the bride, and junior bridesmaid, Chris Harper, a sister of the groom.

Flower girls were Chelle Brewer and Dena Harper, a daughter of the groom, and Joe Brewer was the ringbearer.

Pat Harper, a cousin of the groom, was best man. Greg Harper, a brother of the groom, Bill Harper,

Mr. and Mrs. Harold Harper

an uncle of the groom, Chris Brewer, and Wayne Wright and Bob Malone, the latter two uncles of the bride and groom, respectively, completed the corps of groomsmen and ushers.

After a wedding trip to Litchfield, the newlywed Mr. and Mrs. Harper are now residing at 2301 Logan Ave.

### Reed-Hayes

Tri-City Park Tabernacle was the scene of the wedding on June 9 of Miss Vicki Lynn Hayes, daughter of Mr. and Mrs. Donald Joe Hayes Sr., 3233 Aubrey Ave., and Larry Paul Reed, son of Mr. and Mrs. Paul Henry Tiltworth, 2722 Myrtle Ave. Officiating at the 6:30 p.m. ceremony was the Rev. Larry Hayes, an uncle of the bride. Wedding music was by Don Stratton at organ and the Handbell Choir of the church. Soloists were Don and Lynda Stratton.

A reception was held immediately following the service in the church fellowship hall.

Christy Warren, a sister of the bride, was honor attendant and Denise Cooper, Cassie Conner, Angie Holder, a cousin of the bride, were bridesmaids and Linette Smith, was a junior bridesmaid.

Chrystal O'Beare the groom's great-niece, was the flower girl and Jeremy Joe Hayes, a nephew of the bride, served as the ringbearer. The groom chose Randy Harris as best man. Danny Harris and Bobby O'Beare, both nephews of the groom, Don Hayes Jr., a brother of the bride, were groomsmen.

Escorting the guests to their seats were Gary and Terry Reed, brothers of the groom. Christa and Carl Hayes, cousins of the bride, served as candlelighters. Paul O'Beare was a junior groomsmen.

Both young people graduated from Granite City High School. The bride is employed at the Child Care Development Center at the church and the groom is serving with the U.S. Army at Fort Hood, Texas. He entered the service in August of 1983.

After a wedding trip to the Lake of the Ozarks the newlywed Mr. and Mrs. Reed are now residing at 201 W. Lincoln, Copperas Cove, Texas.

### Joseph Kulenkamp

Miss Linda Sue Kulenkamp, daughter of Mr. and Mrs. Jack (Catherine) Kulenkamp of Peoria, formerly of Granite City, became the bride of Mark William Joseph, at the Westminster Presbyterian Church in Peoria.

The Rev. Andrew L. McDonald officiated at the ceremony assisted by the Rev. James Meyers.

Wearing her mothers wedding gown, the bride was escorted to the altar by her father. The former Miss Kulenkamp also is the granddaughter of Mr. and Mrs. Roz (Hannah) Kleinschmidt and Gilbert Kulenkamp, all of Granite City.

Attending the bride as maid of honor was her cousin, Miss Kim Kleinschmidt. Bridesmaids included Susanah Swift, Ann Stethem, Emily Mraz, all cousins of the bride, Gaye Kulenkamp, the bride's sister-in-law, and Rose Joseph, a sister of the groom.

The groom chose his brother, Tom Joseph, as best man. Matthew Waugh, Jerry Schmitt, Daniel and Chris Thomas, both nephews of the groom, and Ron Kulenkamp, a brother of the bride, served as groomsmen.

Ushers were, Earl Kleinschmidt, an uncle of the bride, and Keith Thomas, the groom's nephew. Readers were Earl Sepke, another cousin of the bride, and Theresa Mischler, the groom's sister.

Immediately following the service a reception was held in the student center ballroom of Bradley University in Peoria.

Mr. and Mrs. Mark Joseph

city in Peoria. The bride is employed at St. Francis Medical Center in Peoria, and the groom works at the Commercial National Bank of Peoria. They are residing in Peoria.

Attending the wedding from Granite City were, Cecelia Kleinschmidt, Maud, Bill and Ann Stethem, Emily and Rick Mraz, Ken, Linda, Amy and Alyssa Aud, John and Loretta Worthen, Harry, Marilyn and Julie Cottrell, Hank and MaryAnna Thomas, Don, Jean and Diane Boden, Carolyn and Frank Paskiewicz, Alberts and Marybeth Rousseau, Don and Liz Denby and sons, and Rich Werth.

### Data Processing is BPW program topic

Judy Wiemann, an executive at the May Department Stores, Inc., and manager of the Electronic Data Processing Dept., was the guest speaker at the June dinner meeting of the Granite City Business and Professional Women's Club.

Members met at Alexander's Restaurant for the session conducted by Joyce Bennington, club president.

She introduced those seated at the main table and also chairman each new committee as well as special appointments who will serve for the forthcoming year.

Delegates and alternates were selected for the National BPW Convention to be held in Nashville, Tenn. in July.

Mrs. Wiemann has a B.A. degree in Business Administration and is currently working on a MBA. She is a member of the Edwardsville BPW Club and a member of the BPW State Headquarters Committee.

She gave a book review on

"Megatrends" by John Naisbitt and stated that the intention of megatrends is to discover the many ways in which America is restructuring, to understand how the pieces fit together and to try to see what the new society is like. Naisbitt examines the critical restructurings in the world's 800 chapters.

### Friendly Circle members honored

Three members of the Friendly Circle Class of Dewey Avenue United Methodist Church, were honored on their birthdays at a noon luncheon held at the Community Club of the Granite City Army Installation.

Mrs. Laura Hancock opened the session with devotions and a business discussion was led by President Evelyn Thompson. She announced plans for a salad buffet for the August meeting.

Those honored and presented with a decorated cake were Evelyn Hamilton, Mary Davis and Madora Shaw.

Others attending were, Millie Sherman, Mary Hanflader, Virgie Settles, Tinnie Webb, Fern San Soucie and Mayme Waggoner.

Mr. and Mrs. Larry Reed

### Ochoa-Abernathy

Mr. and Mrs. Rufus Ochoa of Granite City, are announcing the engagement of their daughter, Miss Susan Marie Ochoa to Lawrence Abernathy of St. Louis.

Miss Ochoa graduated in 1978 from Granite City High School North and is employed at Opel Oil Co. Her fiancé is working at Johnson and Higgins in St. Louis and was graduated in 1975 from Mehlville Senior High School.

The betrothed couple and their families are completing plans for an Aug. 18 wedding.

### Summer social for Pack 28

Club Scout Pack 28, sponsored by Parkview School, held its first summer pack meeting with their families at Johnnie's Funland in Popokun Beach to play miniature golf.

The meeting was opened by Scouting Coordinator Don Hadix and Cubmaster Tally Evans who explained the rules to the boys.

After the competition, ribbons were awarded to Donnie Hadix, first, Adam Labosky, second and Chris Cremons, third.

The July pack meeting will be announced at a later date, according to the cubmaster.

### Leadership Conference for BPW members

Before taking the post at UofI, she was Director of Admission at Kennedy King College in Chicago.

The guest speaker travels throughout the country to speak to groups and has been to Pakistan and Zambia helping children establish a Cooperative Extension Service using team effort that is similar to one used at the university level.

She has been a national president of Adult Education Services and also president of Illinois American Education. Dr. Malone was founder of and charter member of the American Association of Adult Continuing Education. She has written articles and contributions to books and educational materials in regard to her work in adult education and received numerous honors.

As she addressed the group, Dr. Malone spoke on leadership skills and management concepts. Her message was in keeping with the theme of the Southern Leadership Conference which was denoted by the state president of Illinois Federation of B&P as, "In Search of Excellence."

The purpose of this conference is to orient new club officers and chairmen of the current year's program ideas and goals. These in turn are to be initiated by the officers and chairmen in the membership by forms of instruction and leadership

through activities and programming.

During the morning workshops were conducted on various subjects relating to the B&P organization with panel discussions and general buzz sessions.

Special guests were Major Bonnie Marshall, Illinois Federation state president, Annabell Woodring of Collinsville, state president elect, Nancy Clark of Flora, state first vice president, and Sonja Charness of Roselle, state second vice president.

Attending from the Quad City area were members of the Granite City B&P Club and eight members of the organizational Gateway B&P as guests of the conference.

### HOT FAMILIES SOUGHT FOR KANSAS 4-H VISITORS

A good way to learn about how people live in other parts of the USA is to host a visitor from another state in your home. Each year, a group of Madison County 4-H members either host a guest or two, or travel to another state. This year, Wallace County, Kansas, has 4-Hers visiting Madison County from Aug. 9 to 14.

Families interested in getting acquainted with someone from Kansas and is a 4-H member, may contact Jean Tebbe, 1-488-7479 or the County Extension office, 1-636-8400.

## Lioness Club reviews year's donations

The Lioness Club of Pontoon Beach reviewed its past year during the eighth annual installation of officers and new members recently. The year's achievements included \$24,732 in contributions. It was pointed out at the event.

During the dinner, \$9,500 in contributions, which is included in the total of \$24,732, were made to various programs and organizations.

Outgoing President Dolores Kieffer presented the donations, including \$2,500 to Lion President Bob Durbin for the Pontoon Beach Lions Club building fund, \$1,500 to Pontoon Beach Police Chief (Chet Ballew) for new police uniforms, \$1,500 to Long Lake Fire Chief Danny Kreher for a suit that helps control shock and bleeding, and \$1,000 to Mrs. Walter Spiceland and Dream Factory to help provide trips and presents to chronically ill children and their families.

In addition, \$1,000 was presented to Frieda Scott and Project Help for food distribution to the unemployed, \$1,000 to Nina Millett and Hospice to help support the program for terminally ill patients and \$1,000 to Dennis Asbeck and the Mobile Meals program.

President Kieffer announced various other donations made by the Lioness Club during the past year, including a check of \$1,000 to eye research presented during the state convention, bringing the total contributions to sight and sound programs to \$2,935.

Other contributions were \$500 to the American Diabetes Association, \$625 to send four children to the American Diabetes camp and \$125 to Operation Snowball, a drug awareness program.

Also noted were donations of \$1,000 to Pontoon Beach Senior Citizens, \$500 for a Southern Illinois University at Edwardsville scholarship, \$500 to the Kettler Center for recreation.

**RECIPIENTS.** Elva Mae Spiceland, above, receives a donation of \$1,000 on behalf of Dream Factory from Pontoon Beach Lioness Club President Dolores Kieffer. Frieda Scott, right, receives another donation of \$1,000 on behalf of Project Help.

tional equipment, \$500 to Alpha Center, \$500 to the Rape Center, \$300 to Parents of Special Education, \$300 to OATH and \$100 each to CARE, epilepsy, autism and Special Olympics.

Mrs. Kieffer told members that the club also donated Christmas gifts, established a community betterment fund for the needy and participated in the Halloween Parade at Edwardsville, and an Easter egg hunt.

Lyn Votupal was installed as the

1984-85 president during installation ceremonies. Also honored as new officers were LaVerne Matzyski, vice-president, Linda Leleniewski, secretary, Betty Johnson, correspondence secretary, and Kelley Papp, treasurer.

Mr. Lipscomb was installed as Lionsess Tamer, Ada Conklin as Tail Twister, and Lynn Cavar, Mary Pieper and Laura Papp as directors.

Nancy Bullew and Donna Gramer were installed as new members.

## Summerstage sets production plans

Summerstage of Granite City is planning two live productions this year, according to Managing Director Beverley Scroggins.

The first, "A Little Night Music" by Stephen Sondheim and Hugh Wheeler, will be presented in the Granite City Township Hall at 8 p.m. Friday, Saturday and Sunday, July 20, 21 and 22.

"A Little Night Music," a comedy about romance at the turn of the century in Sweden, is about three couples of the leisure class trying to sort out their mismatched love affairs. Scroggins says the score, composed entirely of waltzes, is handled by the principals in the cast and a quintet called the Ibisbieder singers who tie the story together throughout the performance.

"A Little Night Music" is directed by John Melford, with musical direction by Rogers Melford and Dan Vizer. Choreography is by Margaret Pennell.

The second live production is "Pinocchio," which recently celebrated its 100th birthday. This production will be performed at 2 p.m. Aug. 4 and 5 in the Star Theater, 1917 State St. John Manogian is directing, and Brenda Whitaker is serving as assistant and technical director.

Tickets for both productions will be available at the door from any member of the summer's company, or by calling 877-2228.

## DUI, CANNABIS CHARGES

Jay T. LeMaster, 21, of 2724 Maryville Road was ticketed on the night of July 4 for driving while under the influence of alcohol, possessing cannabis, transporting beer and passing a Maryville Road stop sign at Terminal Avenue. As he turned left, the right side of his car was hit by the front of the auto of H.P. Peters, 2721 W. 22nd St. A passenger in the latter vehicle, Margaret Butler, 1913 Spring Ave., was injured.

## Special 1's Class attends barbecue

Members of the Special 1's Sunday School Class of City Temple Assembly of God Church, attended a backyard barbecue at the home of Miss Lou Graham and Miss Barb DeLong, 160 Arlington Drive.

Attending was 32 people including several out of town guests.

This group is a singles class that meets each Sunday at 9:30 a.m. at Lakeview Restaurant, 4112 Pontoon Road, with Mrs. Gaye Flood as the teacher.

A newly organized group it was designed to help support the spiritual and social needs of single persons whether becoming of death, divorce or never being married. The group includes and welcomes adults of all ages and denominations.

During the past month members have participated in special activities that included a progressive dinner, a bowling party, green salad supper. Future plans will be a hosting a house warming at the home of one of the members, a trip to Grant's Farm, a Halloween party and Christmas party.

Tentative arrangements have been discussed for a visit to the St. Louis Zoo, the arken Shaw's Garden, St. Genevieve, Mo., and New Salem, Ill.

Any single person interested in further information is advised to call Doug Robertson, co-chairman, at 931-6697 or may meet with the class Sunday mornings at 9:30.

## Dialogue on drugs

A column by  
The Granite City Chemical People Task Force

The Surgeon General of the U.S. Public Health Service issued the following warning on marijuana in August 1982:

Marijuana use is a major public health problem in the United States. In the past 20 years, marijuana use has increased 30-fold. It is estimated that more than a quarter of the American population has used marijuana at some time.

The age at which persons first use marijuana has declined gradually to the junior high school years. Until recently, nearly 11 percent of high school seniors used marijuana daily and, although that figure declined to 6.3 percent in 1982, daily use of marijuana by high school seniors still exceeds daily use of alcohol.

On March 24, 1982, the Department of Health and Human Services submitted to Congress, a report reviewing the consequences of marijuana use. The report, "Marijuana and Health, 1982," is primarily based on two comprehensive scientific reviews by the Institute of Medicine of the National Academy of Sciences and the Canadian Addiction Research Foundation for the National Health Organization. Both independent reviews corroborate the Public Health Service findings of health hazards associated with marijuana use.

Acute intoxication with marijuana, interferes with many aspects of mental functioning and has serious acute effects on perception and skill performance, such as driving and other complex tasks involving judgment of fine motor skills.

Among the known or suspected chronic effects of marijuana use are: short-term memory impairment and slowness of learning; impaired lung function similar to that found in cigarette smokers; decreased sperm count and sperm motility; interference with ovulation and pre-natal development; impaired immune response; possible adverse effects on heart function, and byproducts of marijuana remaining in body fat for several weeks, with unknown consequences. The storage of these byproducts increases the possibilities for chronic, as well as residual effects on performance, even after the acute reaction to the drug has worn off.

Of special concern are the long-term developmental effects in children and adolescents, who are particularly vulnerable to the behavioral and psychological effects of marijuana. This "amotivational syndrome," characterized by a pattern of energy loss, diminished school performance, harmed parental relations and other behavioral disruptions, has been associated with prolonged marijuana use by young persons. Although more research is required, recent national surveys report that 40 percent of heavy users experience some or all of those symptoms.

The Public Health Service concludes that marijuana has a broad range of psychological and biological effects, many of which are dangerous and harmful to health. The Public Health Service supports the major conclusion from the National Academy of Sciences - "... what little we know for certain about the effects of marijuana on human health, and all that we have reason to suspect, justifies serious national concern."

## Two men are charged in Venice disturbance

Roosevelt Smith, 47, of 327 Weaver Ave., Venice, and Harvey L. Wright, 24, of 133 Lee Wright Homes, Venice, were both charged after a disturbance in Venice at 1:30 p.m. Thursday.

Kevin Garrett of 1321 Oriole St. told police he had been sitting on a porch at 307 Weaver St. with Smith and Wright and he left. He later discovered that he left his cigarettes on the porch and returned to retrieve them.

Garrett said that when he returned, Smith started yelling and swinging a fist at him so he started to run. Smith followed and Garrett attempted to stop him by throwing a bottle from a trash can, it was alleged.

Then Smith ran to Wright, who allegedly handed Smith a pistol. Garrett said Smith then fired a shot at him. Garrett ran and called the police.

Smith was charged with discharging a firearm within the city limits and unlawful use of a weapon. Wright was charged with unlawful use of a weapon. Both were released on notices to appear in court.

**HOSPITALIZED BY BEATING**  
Ruby Page, 1004 E. 23rd St., severely bruised when beaten about the face at her home at 5:15 p.m. Thursday, was taken to St. Elizabeth Hospital, Alexander Mitchell, 57, of the same block was arrested for battery.

## Secretaries learn to prepare information for printing

Secretaries who frequently prepare information for printing, can take a new course at Belleville Area College that will teach them professional time and money-saving techniques.

Copy Processing, a business course being offered by the college this fall, will teach secretaries to design and prepare effective, attractive copy for the typesetter or printer. Basic knowledge of the printing industry will save time and money. Students will learn how to avoid the expense of costly last-minute changes.

**THE COURSE** will introduce secretaries to typography—the study of type. They'll learn to choose type styles and sizes appropriate to your message.

Also the course will teach basic design principles, how to prepare photographs for printing and how to paste-up copy to take to the printer. Proofreading techniques and printing terminology will be explained.

Lecture material will be complemented by hands-on phototypesetting and paste-up experience in the college's up-to-date word-processing laboratory. The basics of communications between word processing and phototypesetting machines will also be learned.

**WITH MORE** and more printed information available each day, it is important that the copy stands out. In Copy Processing, students will

learn to prepare legible, readable copy.

The course will meet from 7 to 9:45 p.m. Thursdays for 16 weeks beginning Thursday, Aug. 30, at the Belleville Area College main campus, 2500 Carlyle Road, Belleville.

The class is a three-hour credit course and tuition is \$23 per hour or just \$69.

William Durden, professor at John Hopkins University in Baltimore, will discuss education of the gifted. Friday, June 29, at Southern Illinois University at Edwardsville.

Durden's lecture on the topic, "Education of the Gifted: Acceleration or Enrichment? Or Something Else?" is scheduled from 10 a.m. to 11 a.m. in the Oak/Hackberry Room on the second floor of the University Center.

**DURDEN HAS GAINED** national prominence for his research and practical applications of the teaching of the gifted, according to Robert Wagner, chairman of the department of special education at SIUE. Durden is director of a Hopkins program that identifies students who accelerate in verbal and mathematical skills. The professor is featured in a recent

IT WILL BE taught by Dana Jones Yelvington, Director of Public Information at the college. Mrs. Yelvington, who holds a bachelor's degree in journalism from the University of Illinois, has also studied art. She is responsible for coordinating typesetting at the college.

For information on Copy Process-

ing, students may call Mrs. Yelvington, 1-235-2700, extension 255.

To register, visit the main campus from 9 a.m. to 8 p.m. Mondays through Thursdays and from 9 a.m. to 3 p.m. Fridays. From now through Wednesday, Aug. 22, phone registrations will be accepted during the same hours from Monday, July 16, through Friday, July 27, by calling 1-235-7900 to register by phone.

and emotional needs of the talented. Friday, July 13, as the second half of the same program.

**THE PROGRAMS ARE** being brought to SIUE as part of a state-funded project for the teaching of the gifted, developed by the university's special education department.

## BAC registration by phone begins

Telephone registration for Belleville Area College (BAC) fall classes begins Monday, July 16. Students can register by calling 1-235-7900 from 9 a.m. to 8 p.m. Mondays through Thursdays and from 9 a.m. to 3 p.m. Fridays. Phone registration continues through Friday, July 27.

**BEFORE CALLING** to register, students should complete the worksheet in the schedule of classes they will receive in the mail during early July. Having the information ready will save time and prevent a

tie-up of the telephone line.

Students can also register at the above times in the Registrar's Office at the Belleville campus, 2500 Carlyle Road, Belleville. In-person registration is under way and will continue through Wednesday, Aug. 22.

**THERE WILL BE** no registration Independence Day, July 4. Classes begin Saturday, Aug. 25.

Students who have not received a BAC schedule in the mail, call 235-2700, extension 258 to request one.

## Scholarships are available at BAC

Scholarships for the 1984-85 school year are available at Belleville Area College.

The BAC Foundation is offering scholarships to students in the career/business program. Applicants must have graduated from an area high school with a grade-point average of 2.0 or better, reside

in the district and demonstrate financial need. The application deadline is Monday, July 30.

**PARK COLLEGE** in Parkville, Mo., has military family scholarships available. Applicants must be active duty military or military dependents residing in the vicinity of Scott Air Force Base. The scholarship must be used at Park College Resident Center at the base or at Park College.

For more information on these scholarships, students may contact Meg Mathews or Kate Sonnenberg in the Financial Aid and Placement Office, room 226 on the main campus, 2500 Carlyle Road, Belleville or call 1-235-2700, extension 342.

## 7th and 8th graders enroll now in Granite City Center's 4-week Microcomputer Workshop

2 sessions: 8:30—11:30 a.m.

Fridays July 13 through August 3

Granite City Center  
4950 Maryville Road, Granite City

To register, call  
**931-0600**

**Granite City Center**  
of Belleville Area College

## Students do summer work

By JULIE REID

During the summer, Blackburn College students busy themselves with studies in business administration, biology, English literature and other fields to become electricians, carpenters and construction workers.

The college employs the students during the summer to do much needed repair work, and also to give the students a summer job and savings for the upcoming school year.

**THIS SUMMER** student maintenance workers are pouring concrete for new sidewalks and a patio at the student center, installing storm windows in Hudson Hall, rewiring a residence hall, as well as renovating two laboratories, stripping and waxing the floors and cleaning carpets.

"I like the summer construction work because it improves the campus appearance, helps pay for my tuition and besides that, it's fun," said Brenda Witt, a junior biology major from Bethalto, Ill. "So far, I've helped pour sidewalks behind Jones Hall and have constructed lofts and stairs in a storage building. We hope to make dugouts at the baseball field and pour sidewalks around the gymnasium."

Jim Best, a junior art and English

literature major from Dorset, Vt., said he is now busy rewiring Stordard Hall and is also installing new fire alarms. "By working at Blackburn during the summer I gain more practical work experience," he said. "For example, this summer I am learning electricity through hands-on experience. This is a skill that will be useful throughout my life, even though I may not be an electrician by trade."

**BILL HEALY**, a senior from Jerseyville, Ill., majoring in business administration and economics, said that working in construction at Blackburn has given him a better understanding of construction work and working with wood, concrete and shingles. "This summer I have helped to finish a storage building, constructed two

pedestrian bridges, and poured concrete sidewalks around the student center and administration building," he said.

These people are among 50 students employed by Blackburn College during the summer to do maintenance work, and also clerical, kitchen, janitorial, mail room and other jobs to keep the campus functioning during the summer. They all work 40 hours weeks.

During the academic year, when classes begin and all students return to campus, the summer workers not only return to classes, but continue working 15 hours per week at unpaid on-campus jobs. This student-managed Work Program helps reduce the cost of the students education and is a character builder for their careers after graduation.

## On campus briefs

### Belleville Area College

**BELLEVILLE AREA COLLEGE'S** Financial Aid and Placement Office has scheduled evenings hours to serve those who cannot visit the office during the day. The office will be open until 8 p.m. Tuesday, July 3; Thursday, July 12; Monday, July 16; Wednesday, July 25; Tuesday, July 31, and Monday, Aug. 6.

The office is open from 8 a.m. to 4 p.m. Mondays through Fridays. It is in room 326. For information, students may stop by or call Financial Aid and Placement, 1-235-2700, extension 266.

**THE BELLEVILLE AREA COLLEGE** Counseling Center is open from 8 a.m. until 9 p.m. Mondays through Thursdays and the convenience of students. The center is open from 8 a.m. to 4 p.m. on Fridays.

The center provides academic advancement, career counseling, personal counseling, testing (math and English placement, interest inventory and aptitude testing), human development courses and seminars, study skills assistance and tutoring. ## THE LAW AND YOU

BY RICK REED  
Attorney At Law

When there is a dispute regarding the custody of children in a divorce proceeding, the test that the Court uses to determine which parent will obtain custody is the "best interest of the children" test. Parents often contact this office regarding the possibility of joint custody in both parents. A joint custody arrangement would mean that neither parent would have the exclusive right to custody of the child but rather that custody would be vested in both parents. The primary reason why parents inquire about this arrangement is because often neither parent can bear the idea of parting with the children.

An arrangement such as this is extremely complex and almost requires that both parents live in the same vicinity. If the parents live any distance from each other, a joint custody situation will result in the child being shuffled back and forth between locations. Furthermore, if either parent ever decides to move away from the area, the parents in all likelihood will once again have to return to Court to determine who is entitled to custody since a joint custody arrangement probably could not work where the parents live in different locales.

One alternative solution where both parents in a divorce are very attached to the child is to award custody to one parent with liberal visitation to the non-custodial parent. In this manner,

the non-custodial parent will still be given the opportunity to see the child frequently. Liberal visitation could possibly consist of every weekend, three weeks in the summer, and alternating major holidays.

Finally, two examples will illustrate why joint custody often does not work. In one case, a judge had to come to a hospital at 3:30 a.m. to consent to an emergency appendectomy when one parent in a joint custody arrangement agreed to the procedure and the other would not consent. The hospital refused to act until the judge arrived and settled the dispute. In another instance, two children were enrolled in separate schools by the mother and father in a joint custody situation. The children were enrolled by one parent in a parochial school and by the other in a public school. The children lived alternating weeks with each parent, were truant from one school or the other each school day, and wound up failing in both schools.

In conclusion, children who are thrust into a joint custody arrangement often do not function well due to the lack of a stable environment. What parents in a joint custody situation seldom realize is that even though fighting and bitterness may be minimized at the time of the divorce, the potential for conflict in the future may be even greater with joint custody.

**GREGORY P. SCHUBERT** is a graduate of the University of Illinois College of Dentistry in Chicago. He received his bachelor of science degree in biology-medical science from Southern Illinois University at Edwardsville in 1980, where he was a member of Alpha Phi Omega fraternity. His future plans are indefinite. Schubert is the son of Mr. and Mrs. Raymond Schubert of 1836 Spring Ave.

## Serving our country

News of Quad-City area servicemen serving in the various branches of the U.S. military includes

### LONG WATSON

Army Corporal Lon Burton Watson left June 21 for Korea, where he has been assigned for the next 15 months. He is the grandson of Byron Glasgow, 115 Lennox Ave., Moline.

Prior to Cpl. Watson's departure from Fort Ord, Calif., his commanding officer, Captain Cheng Yu Huang, Headquarters, 1st Brigade, 7th Infantry Division, wrote a personal letter of appreciation about the serviceman to his grandfather.

The letter reads in part: "I want to take the time to let you know that your grandson has been doing an outstanding job as a member of Headquarters and Headquarters Company."

"His performance of duties as Radio Operator reflects a high degree of motivation, dedication and proficiency. During the past 15 months, he has successfully participated in three field training exercises."

"His accomplishments earn him as an 'All American Young Man' who possesses those attributes so vital to the soldiers of today's Army."

"Your grandson's performance is in keeping with the highest traditions of the military and reflects great credit upon himself, his unit and the United

States Army," Capt. Huang wrote.

Cpl. Watson is the son of L. D. Watson of Phoenix, Ariz., and the late Mary Watson, who died in 1977. He is a 1982 graduate of Granite City High School North and enlisted in the U.S. Army in September 1982.

He was assigned to Fort Ord after basic and advanced individual course and completing paratrooper training at Fort Benning and Fort Gordon.

### ANGELA GUTH

Angela L. Guth, daughter of Mr. and Mrs. Leonard J. (Elenora E.) Guth, 2811 E. 25th St., has been specially identified for early promotion to senior airman in the U.S. Air Force.

The airman was awarded the new rating ahead of other Air Force members by a "below-the-zone" promotion board which considered job performance, military knowledge, bearing and self-improvement efforts.

Senior Airman Guth is an aircraft instrument systems specialist with the 2nd Consolidated Aircraft Maintenance Squadron at Barksdale Air Force Base in Louisiana.

### KELLY MCGEE

Army Private Kelly C. McGee, son of Mr. and Mrs. Raymond E. (Linda E.) McGee, 2200 Cardinal Ave., has completed basic training at Fort Sill, Lawton, Okla.

During the training, Pvt. McGee received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy and justice, first aid and Army history and traditions.

### MICHAEL RAY

Instruction in drill and ceremonies, weapons, first aid, tactics and Army traditions and history was taken by Private Michael L. Ray, who has completed basic training at Fort Knox in Louisville, Ky.

He is the son of Mrs. Sandra Dudley, 2226 Edna St., and Robert Ray, 4766 Nameoki Road. The serviceman also studied map reading and military courtesy

and justice in the courses.

### MICHAEL JOHNS

Army Specialist Four Michael E. Johns, son of Mr. and Mrs. E. (Martha J.) Johns of Rural Route 2, has arrived for duty in Ludwigsburg, West Germany.

A medical laboratory specialist with the 3rd Support Command at Ludwigsburg, Spec. 4 Johns previously was assigned at Fort Benjamin Harrison, near Indianapolis, Ind.

His wife, Karyn, is the daughter of Mr. and Mrs. Betty Kessler of Rural Route 2.

### ROBERT SCHUMAN

Army Private Robert M. Schuman has completed the basic field artillery cannoneer course under the one station unit training (OSUT) program at Fort Sill, Lawton, Okla.

He is the son of Mr. and Mrs. Robert (Charlotte) Schuman, 140 Central Ave., Mitchell.

In the course, Pvt. Schuman was taught the duties of a howitzer or gun section crewman. He also received instruction in communications, maintenance and the handling of ammunition and explosives.

OSUT is a program that combines basic training with advanced individual training, an Army spokesman advised.

### BILLY ARNOLD

Army Reserve Private Billy S. Arnold has completed basic training at Fort Dix, Trenton, N.J.

He is the son of Mrs. Wanda N. Bucklew, 23 Fairway Estates.

As part of his training, Pvt. Arnold received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy and justice, first aid and Army history and traditions.

**ARMY OFFERS EARLY PROMOTIONS, BONUSES**

Army recruiters have been authorized to offer early promotions to Private E-2 and enlistment bonuses of up to \$8,000, it was announced this week.

Both of these programs will be available to qualified high

school graduates who score in the top half of the Armed Forces Qualification Test, according to Lieutenant Colonel Donald E. Jones, commander of the Army's St. Louis Recruiting Battalion.

Col. Jones is responsible for Regular Army and Army Reserve recruiting in Eastern Missouri and Southern Illinois.

"Early promotion to Private E-2 is available to young men and women who contract up through Sept. 30," the officer stated.

"The new soldiers have the option of going directly into the Regular Army or entering the Delayed Entry Program, where they have up to 180 days to report for active duty."

"Both of the military occupation specialties in the \$8,000 enlistment bonus package are from the electronic warfare and cryptological operations career management field," Col. Jones explained.

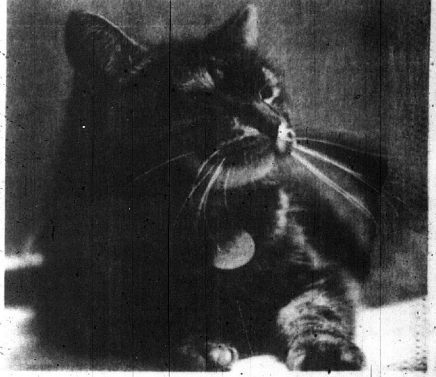

A total of 12 different military occupation specialties have been made available to receive bonuses from \$5,000 to \$8,000. The enlistment must be for a four-year period in the Regular Army in one of these specialties.

The Army officer continued, "Our recruiters can also offer a \$4,000 bonus for three-year plus training enlistment into selected COHORT units."

A COHORT unit, similar to the British regimental system, allows a group of recruits to train together in the United States overseas as a unit.

Col. Jones noted, "The introduction of the early promotion program and the expansion of the enlistment bonus packages is in addition to some very exciting existing programs."

"We can offer qualified young men and women the Army College Fund, where the young recruit can accumulate up to \$20,000 for continuing education; a two-year enlistment option, and training in a particular skill and in many cases, a station of choice guaranteed in writing before enlistment," he concluded.

**ADOPT ME**, Tabitha, a 4-year-old female tabby cat, is ready for adoption at the APA Shelter on Old Alton Road. Tabitha is declawed, spayed and has a friendly personality. For more information, interested persons may call the shelter at 931-7030.

(Press-Record Photo)

## A.O. Smith begins hiring discussions

From the Tri-Cities Area Chamber of Commerce Newsletter.

A.O. Smith's plant manager, Stan Lindquist, and personnel director, Ken Whaley, met with representatives of the Tri-Cities Area Chamber of Commerce, the Madison County Community Development Office, the Granite City Job Service, Granite City Center on BAC, and the Department of Commerce and Community Affairs last month to begin discussions on the hiring and training of new employees.

Approximately 100 construction workers are now refurbishing the company's local facility in an effort to meet A.O. Smith's targeted production dates. Mr. Lindquist complimented the quality of work being performed by the construction trades and remarked that one of the determining factors in the company's decision to reopen the Granite City facility was the availability of highly skilled labor.

The June 14 discussion centered on training assistance available through county and state programs. The On-The-Job Training Program

(OJT) administered through the Madison County Employment and Training Department and the Illinois Industrial Training Program (ITP) administered by the Department of Commerce and Community Affairs were identified as appropriate assistance sources.

Although a minimal number of employees may be hired in late 1984, Lindquist stated that the bulk of the facility's work force would be put together in 1985. In order for the plant to be brought on line smoothly, A.O. Smith will be hiring in groups of 20 to 25 assuring manageable training classes.

Frank Gornie, provost of Granite City Center and Education Committee Chairman (who has since resigned), outlined the availability of off-site training facilities including BAC's Granite City location and the main campus in Belleville.

All parties mutually assured Lindquist and Whaley that the A.O. Smith training programs could be facilitated locally and offered unqualified assistance to ensure a smooth transition.

## Hearing studied steel imports

Senator Charles H. Percy (R-Ill.) chaired a field hearing of the Senate Foreign Relations Committee in import remedies for the steel industry Friday in Chicago.

"I have called this hearing to investigate the problems facing the steel industry, how they have affected Illinois, and what steps could be taken to remedy the situation," said Percy, chairman of the Foreign Relations Committee.

On June 12, the International Trade Commission (ITC) found that the U.S. steel industry had been "seriously injured" by imports in five of nine product categories, which amounts to roughly 70 percent of all steel imported to July 15. The ITC is expected to vote to recommend to the president possible import relief measures for the steel industry.

Chicago is the largest steel producing city in the nation," said Percy, who is a member of the Senate Steel Caucus. "By bringing this hearing to Chicago, we will make sure that the ITC is fully aware of the interests and concerns of the Illinois steel community."

### DAMAGE PARKED CAR

Someone threw an acid-like liquid on a 1977 auto parked in the yard of Paul Caban Jr., 1409 Rhodes Ave., which damaged the entire front end of the vehicle, it was reported last week.

## Upcoming events

### Meetings

**MOTHERS INTERESTED** in information about breastfeeding are being encouraged to attend the next meeting of the Granite City La Leche League at 7:30 tonight at 2138 Hamilton Dr.

**THE SOUTHERN ILLINOIS NETWORK** of women will meet at 5:30 p.m. Wednesday, July 11, at Rascal's on Highway 137 in Collinsville. Reservations for dinner can be made by calling JoAnn Mudge at 1-277-0560 or Bonnie Moore at 1-344-4250 during normal business hours. More information about the Network of Women can be obtained by writing Post Office Box 1541, Alton, Ill. 62001.

**THE MADISON COUNTY** Genealogical Society will meet at 7 p.m. Thursday, July 12, at Immanuel United Methodist Church, 800 N. Main, Edwardsville. Speaker will be Stanton B. Kincaid, professor of historical studies at Southern Illinois University in Southern Illinois. He will speak on "The Ethnic Renaissance in Southern Illinois." Slides will accompany the program.

### Other events

**"SEVEN ALONE"** is the featured movie Thursday night, July 12, in the Granite City Park District's "Movies Under the Stars" program. Admission is free and will begin at dusk at the Wilson Park Ice Rink.

**PERSONS NEEDING INFORMATION** about Social Security programs or benefits, and who are not able to go to the district office, may speak to a representative from the Department of Health and Human Resources at the Anchorage Recreation Hall, 2009 Edwards St., from 9:30 to 11:30 a.m. tomorrow, July 10.

**THE QUAD-CITY CHURCH WOMEN UNITED** group is sponsoring a blood drive beginning today and continuing Tuesday and Wednesday. Area residents are being urged to visit one of the locations to donate blood. The bloodmobile will be stationed at St. Margaret Mary Church, 1900 St. Clair Ave., today from 2 to 7 p.m. and tomorrow from 9 a.m. to 2 p.m. Donors may go to St. Mary's Catholic Church, 10th and Alton Avenues in Madison, from 2 to 7 p.m. Wednesday.

**CLASSES ON DIABETES CONTROL** will be offered from 7 to 9 p.m. today and tomorrow at Cottonwood Rehabilitation and Outpatient Services in Glen Carbon. Cost is \$10 per person, and reservations can be made by calling 1-288-3300.

## Local Cancer Society issues fund appeal

The Quad-City Chapter of the American Cancer Society is directing a special appeal to the area's professional and business community. They will be asked to enlist in the crusade against a disease that claims 450,000 deaths per year. While three out of four families eventually are cancer victims, but the survival rate is now nearly 50 percent.

"The warm hand of service is provided without charge to the patients and their families struck by cancer through the programs of the local chapter. These services are provided without government funds. Beds, bandages, consultation, transportation and additional services are made possible through the voluntary

contributions of concerned citizens," said Jim Holland, director of the drive.

"Exciting developments are taking place in cancer research including the discovery of prevention therapies. Cancer causes and cures are progressing at a dramatic pace thanks to the support of the American Society. A large number of educational programs are also in place throughout our community by the local unit.

"It is hoped that the professional, business, and civic leaders will respond to the appeal," Holland said. "The good news that cancer causes and cures have turned a corner needs to be shared, so our appeal to the support of wide-ranging research and services needs the support of our community leaders," he added.

### GC MAN CHARGED WITH CRIMINAL DAMAGE

Murle Marion Baugh, 59, of 2213a Grand Ave., was charged last week with criminal damage to property and disorderly conduct after he allegedly punched in the door of a Madison resident.

Henry Rhymier of 1511 Second St., Apt. 2, Madison, told police that Baugh caused \$300 damage to his Baugh's screen door and to his wooden entry door. He added that Baugh allegedly cursed him and made several threats.

### FINED \$50 FOR BATTERY

John D. French, 17, of 44a Briarhaven Drive, was arrested for battery Thursday afternoon after allegedly using a fist to strike Robert Weckbach, 3201 Redding Road, in the face at a Granite City High School parking lot. The arrest was made in the American Village Shopping Center lot. He was fined \$50 at a hearing.

## Tax refunds may be seized to repay loans

The U.S. House and Senate adopted a proposal by Senator Charles H. Percy (R-Ill.) to offset the tax refunds of those who default on government loans as part of the Deficit Reduction Act of 1981, which both houses have approved. The provision, expected to collect \$800 million in the first two years, is fully implemented in 1984.

"The federal government is owed a staggering \$44 billion in defaulted federal loans," said Percy, who is a taxpayer in this country. "Percy said, 'This new law will significantly increase the government's ability to collect from delinquent borrowers.'"

The provision requires the Internal Revenue Service (IRS) to confiscate the tax refund of anyone who has defaulted on a debt to the federal government. Several studies have indicated that this provision would be extremely defensible because more than 70 percent of those who file tax returns receive refunds

which, on average, are \$600. It is estimated that when the program is fully implemented in 1985, the government will collect \$300 million which otherwise would not be collected and \$500 million the following year.

Percy first proposed offsetting tax refunds in 1981 as part of his effort to improve the government's debt collection. In 1982, Congress approved Percy's Debt Collection Act which provided the government, with enforcement charges, the right to authorize the confiscation of tax refunds.

Percy testified before the Senate Finance Committee in 1983 and proposed that the refund idea be enacted. Percy's chairman of the committee picked up on the idea and made it part of its recommendations.

"Federal law, up to now, prohibited offsetting tax refunds to collect non-tax debts."

## McDonnell-Douglas workers donate \$1,000 to Hospice

For the third time in four years, Hospice of Madison County, affiliated with St. Elizabeth Medical Center, is the recipient of a \$1,000 donation from the McDonnell-Douglas Employee Charitable and Community Service Fund (ECCS), according to Nina Millett, director of Hospice.

The ECCS fund is made up entirely of employee-donated money," said Robert L. Harmon, chairman of the ECCS board, "and although the donation is completely voluntary, approximately 90 percent of the employees participate."

The ECCS fund donates approximately \$3.2 million to more than 275 charitable organizations each year. Some other institutions the fund aids include Arts and Education Council, the Girl Scouts, the Boy Scouts, the Ronald McDonald House and the St. Louis 100 Neediest Cases.

"Without the generosity of groups such as McDonnell-Douglas, Hospice would not be able to continue meeting the needs of this community," said Mrs. Millett.

McDonnell-Douglas workers donated \$1,000 to Hospice for the third time in four years.

### INJURY, FOUR CHARGES IN ST. CLAIR-ASH ACCIDENT

Robert Eddieleman, 17, of 2825 Maryville Road was charged with leaving a crash scene, improper lane usage, transporting beer and passing at the St. Clair and Ash avenues intersection last week. Beer possession charges were filed against Terry King, 19, of 2529 Northbridge, Deanna Weidner, 17, of 18 Eduardo Drive and Lora Cook, 17, of 208 Vought Pike.

Both Eddieleman and Edward Holder, 2407 Grand Ave., were east-bound and Holder was turning left. A passenger in the latter car, Angela Holder, 19, also of 2407 Grand, suffered minor injuries. It was alleged Eddieleman passed on the left, hit the left side of the other auto, crossed the parkway median and entered west-bound lanes.

Information about the agency or its services is available from Mrs. Baker at 1-254-7428.

NOTICE OF PUBLIC HEARING ON TOWNSHIP BUDGET AND PROPOSED USE HEARING FEDERAL REVENUE SHARING FUNDS. 33

NOTICE is hereby given that a tentative budget and appropriation ordinance for the town of the City of Granite City, in the County of Madison, State of Illinois, for the fiscal year beginning March 1, 1984 and ending February 28, 1985, will be on file and conveniently available for public inspection at the Clerk's Office, City Hall and the Supervisor's Office, 20606 Delmar Avenue, Granite City, Illinois from and after 4:00 o'clock P.M. 6th day of July, 1984.

NOTICE is further given that a public hearing on said budget and appropriation ordinance will be held at 7:00 o'clock P.M. on the 7th day of August, 1984 in the auditorium of the Town Hall, 20606 Delmar Avenue, Granite City, Illinois.

FURTHER NOTICE is given that the Board of Trustees of the City of Granite City, Illinois, in its regular meeting held on the 27th day of July, 1984, has adopted a resolution declaring its intention to issue bonds in the aggregate principal amount of \$6,000,000 for the purpose of creating the Working Cash Fund of said School District, and it is the intention of said Board of Education to

continued use of drugs known to increase older patients' sensitivity to excessive heat.

Increased consumption of fluids and loose-fitting, lightweight clothing were urged.

Fred Uhlig, acting department director, said about 80 percent of the nursing homes in the state have some air-conditioning, and about half are fully air conditioned.

State law does not require nursing homes to be air conditioned, Uhlig said, but department rules require providing proper care for residents suffering hot weather. If a facility is air conditioned, the equipment must be in good working order, Uhlig said.

Other recommendations included prompt emergency treatment if symptoms of heat stroke or heat exhaustion develop, reducing use of heat-generating appliances where possible, utilizing all exhaust systems when bathing, dietary, laundry and utility areas

are in use and using natural ventilation when possible.

The department has instituted a hot line at 1-800-252-4343 to provide round-the-clock assistance in resolving difficulties at nursing homes, including problems associated with weather, according to Chet June, chief of the division of enforcement for the department.

MADISON HIGH SCHOOL, class of 1951 at its class reunion held at Ervay's Restaurant, Granite City. First row, Carol Sue Warner (Orl), Shirley Crocker (Cleveland), Helen DeRuntz Kwiatkowski, Arlene Morley (Bridick), Glenda Chrisman (Draper), Pat Wickman (Holder), Dolores Brunck (Miller), Clara Paterson (Lucas), Gerri Mueller (Epperson), Eunice Whitsett (Hinson), Second row, Lawrence Kimball, Dorothy Patton (Rusak), Nancy Martin (Vallow), John Sharp, Pat Farrell (Lewis), Jim Morley, Gerri Friend (Kula), Loretta Marcus (Kox), Louis Vaughn, Dan Holmes, Kenneth McKinney, Bill Martin, Lindell Martin, Donald Smith.

## Some tips on coping with heat

SPRINGFIELD — Last year, three elderly nursing home residents died of heat-related conditions during a heat wave in Illinois.

This year, the National Weather Service is predicting the state has a 40 percent to 65 percent chance of experiencing temperatures above normal in the next 30 days, and the state public health department has issued suggestions to nursing home operators for coping.

The recommendations range from moving residents if possible to air conditioned, or less crowded areas of the facility, to hosing down roofs and walls and investigating the chances of borrowing smoke fans from hospitals, civil defense agencies or fire department.

Nursing home operators are also urged to increase monitoring of residents' temperatures, restricting or eliminating strenuous patient activities, and checking with personal physicians about

continued use of drugs known to increase older patients' sensitivity to excessive heat.

Increased consumption of fluids and loose-fitting, lightweight clothing were urged.

Fred Uhlig, acting department director, said about 80 percent of the nursing homes in the state have some air-conditioning, and about half are fully air conditioned.

State law does not require nursing homes to be air conditioned, Uhlig said, but department rules require providing proper care for residents suffering hot weather. If a facility is air conditioned, the equipment must be in good working order, Uhlig said.

Other recommendations included prompt emergency treatment if symptoms of heat stroke or heat exhaustion develop, reducing use of heat-generating appliances where possible, utilizing all exhaust systems when bathing, dietary, laundry and utility areas

are in use and using natural ventilation when possible.

The department has instituted a hot line at 1-800-252-4343 to provide round-the-clock assistance in resolving difficulties at nursing homes, including problems associated with weather, according to Chet June, chief of the division of enforcement for the department.

By order of the Board of Education of Community Unit School District Number 9, Madison County, Illinois.

DATED this 6th day of July, 1984.

David Partney, President, Board of Education, Community Unit School District Number 9, Madison County, Illinois.

Alan Crider, Secretary Pro Tem, Board of Education, Community Unit School District Number 9, Madison County, Illinois.

## DAYTIME SPECIALS

- A TALE OF FOUR WISHES A  
young girl comes to the realization that  
happiness cannot result from wishes  
alone.

- YESTERYEAR, 1988 This retrospec-  
tive of the period of anti-war protests,  
the advancement of civil rights, the birth  
of "Doonesbury" and "Seaside Street."  
Richard Nixon and Woodstock includes  
an interview with astronaut Buzz Aldrin.

- THE HOLLYWOOD CLOWNS  
Many of the top comedians in motion pic-  
tures, past and present, are featured in  
this retrospective of hilarious moments  
from the silver screen.

- YESTERYEAR, 1988 This retrospec-  
tive of the period of anti-war protests,  
the advancement of civil rights, the birth  
of "Doonesbury" and "Seaside Street."  
Richard Nixon and Woodstock includes  
an interview with astronaut Buzz Aldrin.

- THE SPECIAL MAGIC OF HER-  
SELF The ELF Animated. While herself  
the ELF makes birds sing with her magic  
wand, Thom and Creeping Ivy plot to  
steal her magical powers. Voices of Jerry  
Orbach and Priscilla Lopez.

- A TALE OF FOUR WISHES A  
young girl comes to the realization that  
happiness cannot result from wishes  
alone.

SCUBA WORLD

ALL IN THE FAMILY

MOVIE "The Outlaws" (Pren-  
iere) Christopher Lemmon, Charles Rock-  
et. An inventor and his partner, unjustly  
imprisoned, break out to find the thieves  
who stole their car and caused their  
arrest.

SCARECROW AND MRS.  
KING

TV'S BLOOPERS AND  
PRACTICAL JOKES

NANNY

GREAT PERFORMANCES

MOVIE "The Bravos" (1971)  
George Peppard, Pernell Roberts. After  
the Civil War, an officer is given the  
assignment to take charge of a small fort.

FANTASY ISLAND

ON LOCATION "Carlin On Cam-  
pus" Comedian George Carlin takes a  
humorous look at baseball, football, cars  
and everyday life before a UCLA audi-  
ence.

SOLID GOLD

MOVIE "Heaven's Gate" (1980) Kris  
Kristoferson, Christopher Walken. A  
high-principled sheriff becomes caught  
between cattlemen and immigrant home-  
steaders in a bitterly fought-land war.

MOVIE "Fission" (1978) Oliver  
Reed, John Huston. A mysterious killer  
who leaves ransom notes pinned to his  
victims with arrows threatens a wealthy  
Arizona town.

BASEBALL Old Timers Cracker  
Jack Classic from Washington, D.C.

YOU CAN BE A STAR

PHOTOGRAPHER'S EYE

CISCO KID

MOVIE "The Bridges At Toko-Ri"  
(1954) William Holden, Fredric March. The  
personal lives of men who struggle to sur-  
vive in the dangerous battlefields of the  
Korean War are as tortuous as the war  
itself.

FANDANGO

A CONVERSATION WITH FRED  
LEWIS

CISCO KID

MISS UNIVERSE PAGEANT  
Featuring Bob Barker as master of cere-  
monies, Joan Van Ark as hostess and  
Tom Jones as special guest star, the  
competition is broadcast live from the  
James L. Knight International Center in  
Miami.

MOVIE "Executioner's Song"  
(Part 2 of 2) (1982) Tommy Lee Jones, El  
Waldich. Based on the book by Norman  
Waller. Traces the last nine months in the  
life of convicted murderer Gary Gilmore,  
who fought efforts aimed at preventing  
his execution.

WORLD WAR II: SECRET ARMY

HAWAII FIVE-0

MOVIE "10 To Midnight" (1983)  
Charles Bronson, Andrew Stevens. A  
homicide detective and a criminology  
graduate search for a killer of women.

GREATEST AMERICAN HERO

NASHVILLE NOW

NAME OF THE GAME IS GOLF

700 CLUB

MOVIE "Concrete Best" (Pren-  
iere) John Getz, Darlene Rangel. A  
columnist on a weekly newspaper tries to  
clear a young woman blamed for the  
death of her child in a tragic fire.

## TUESDAY

JULY 10, 1984

## DAYTIME SPECIALS

5:30  
(2) PARDON ME FOR LIVING Two 11-year-olds learn the true meaning of friendship while planning a classroom petition against geography homework.

## THE UNFORGIVABLE SECRET

A fifteen-year-old girl (Amanda Plummer) is torn between her stepfather who wants to adopt her and her real father who is supposedly working in a distant country. Adapted from the novel "Tell Me No Lies" by Hila Colman.

11:00  
(2) HOWARD HUGHES: THE INSIDE STORY Home movies, still photos, letters, documents from previously secret files and film clips provide the substance for this investigation of the life of the reclusive billionaire.

12:00  
(2) TODAY'S SPECIAL: "Tears" Jeff is worried because he's never cried 'real' tears.

10:30  
(2) POWERHOUSE

1:00  
(2) TODAY'S SPECIAL: "Tears" Jeff is worried because he's never cried 'real' tears.

1:30  
(2) AGAINST THE ODDS "Lincoln And Malcolm X" Abraham Lincoln was the man who freed slaves but one hundred years after his assassination, the struggle for freedom continued. Malcolm X spoke for black Americans who had found freedom... but who had yet to find equality.

2:00  
(2) THE ADVENTURES OF BLACK BEAUTY "Horse Thieves" Bumbling thieves endanger Black Beauty's life by holding her in a area scheduled for blasting.
